## We Want You To Help Name This Beautiful Theatre

This theater—whatever the name shall be—was built for you, your family and friends, in response to the demand that you have a movie house where you could go and see the best of pictures and entertain your friends. Consequently we feel that it is no more than right that we give you an opportunity to help select a suitable name for it.

### Here's The Plan

Take an envelope and write the name that you would suggest for the theater on the OUTSIDE of the envelope. On a separate slip write your name and place inside the envelope and seal. Bring the envelope with you and drop it in the box in the lobby of the theatre. Names will be accepted for one week up to Saturday, August 5th, inclusive.

A committee of competent judges, which will consist of business men, will go over the list submitted and select therefrom the name for Decatur's Newest and Grandest Theater. The person suggesting the name will be announced and

## \$25 In Gold

will be given the lucky one by the management.  
Each person will be allowed but one suggestion

### Decatur's Newest Movie House

Decatur's Newest Movie house will show only the best of pictures such as produced and released by

**Paramount, Pathé,  
Universal and other  
Good Companies**

Popular prices will prevail at this theater and we assure you that we will show at all times only the best and latest pictures to be obtained.

300 comfortable seats have been installed in the new theater and every care has been taken to provide for your convenience and comfort when attending the movies at this theater.

We have installed the most modern ventilating system that money can buy, insuring our patrons a cool, exhilarating, fresh supply of air at all times. You will not find the air in our theater stagnant or close at any time.
