Blame mental fatigue Kellogg's on over-eating!

CORN FLAKES

are the ideal summer diet!

Over-heavy foods cause more illness during the summer weather than any other thing you do! Simplify your diet. Men, women and children will work and play and sleep better if they'll switch-in on Kellogg's Corn Flakes and plenty of cold milk and the delicious fresh fruits now in season!

Kellogg's are wonderfully refreshing—and nourishing—and always mighty crisp and delicious for any meal. Let the little folks eat as much of Kellogg's as they want, for Kellogg's Corn Flakes digest quickly and easily and rest the stomach.

Be certain to get Kellogg's—the original Corn Flakes in the RED and GREEN package which bears the signature of W. K. Kellogg, originator of Corn Flakes. None are genuine without it!

Also makers of KELLOGG'S KRUMBLES and KELLOGG'S BRAN, cooked and branched.

A Force Feed Oiler

For Ford Cars and Trucks

The Monarch Force Feed Oiler prevents scored cylinders, burned crank shaft and connecting rod bearings. It makes timing gears run smooth—the life of your motor is lengthened. The regular splash system on a Ford car may become clogged, then comes burned bearings—which cost more than a dozen Monarch Oilers.

The Monarch Force Feed Oiler will be demonstrated during Fair Week at the Auto Show by the Ellsworth Garage. Sold By—
