## The Time To Save

In youth, if you are so lucky as to be young.  
 In manhood, if you have arrived at maturity.  
 In middle age, if you have traversed half your allotted span of years.  
 In old age, if you are beginning to catch glimpses of life's sunset.  
 Always the time to save is NOW.

rights. That the men who have been on strike will return with their seniority rights and that the seniority of new men shall be based from the date of employment.

3—Acceptance by the shopmen of the wage reduction of the labor board pending a rehearing of the question.

4—The railroads shall discontinue the contracting of labor.

5—Conferences will be held in an effort to establish national adjustment cards.

Peace will hang on the seniority question, union leaders indicated.

Washington, Aug. 1.—(Special to Daily Democrat)—President Harding today made public his proposal to the railway managers and striking shop men for the termination of the rail strike.

The outstanding feature of the proposal is that the seniority right of the strikers are to be unimpaired.

The president's proposal follows:

1.—Railway managers and workmen are to agree to recognize the validity of all decisions of the railroad labor board and faithfully to carry out its decisions, as contemplated by the law.

2.—The carriers will withdraw all lawsuits growing out of the strike and all railroad labor board decisions which have been involved in the strike may be taken, in the exercise of recognized rights by either party, to the railroad labor board for rehearing.

3.—All employees now on strike shall be returned to work and to the former positions with seniority and other rights not impaired. The representatives of the carriers and the representatives of the organization expressly agree that there will be no discrimination by either party against the employees who did or did not strike.

## AN INTER-STATE CONFERENCE OF MINERS MONDAY

(Continued from page one)

JOHN L. LEWIS, President U. M. W. of A.

Indianapolis, Aug. 1.—(Special to Daily Democrat)—Harold Henderson, representing striking coal miners today informed Governor McCray that he believed a majority of mine owners would attend the inter-state wage conference at Cleveland Monday.

Henderson asked the governor to delay seizure and state operation of mines until results of the negotiations would be apparent. McCray's ultimatum threatening to hoist coal under martial law expired today and it was reported officially he would act along that line immediately.

Leading operators said Henderson's statement regarding the four state wage conference was made "to further confuse the issues."

"More stalling," said Alfred M. Ogilvie, president of the national coal association, "The Indiana operators have taken their position and they have not changed it."

Union leaders said that President John L. Lewis of the United Mine Workers had been approached by "powers higher up" and they had every reason to believe recalcitrant operators would come into the meeting eventually.

"They haven't been told yet," it was said significantly.

Meanwhile Adjt. Gen. Harry Smith, his staff and other officers of the Indiana National Guard remained on duty here instead of going to Camp Knox, Kentucky, where the guardsmen are training. They conferred again and Gen. Smith was seen in the governor's office.

The guard very likely would have to be stationed in the coal fields if the state seizes mines to break the fuel famine.

## SCHOOL BOARD HELD ELECTION OF OFFICERS

building will be divided into class rooms. It was hoped that the annex to the high school building would be ready for occupancy about September 1st, but R. D. Myers, president of the school board, stated this morning that in all probability, Mr. Sanders, the contractor would not have it completed until about October 15th.

Salaries are the same

The school board will not revise the salaries this year, paying the grade teachers the state rate based on the average grades of the teachers and will continue to pay the high school teachers the same they did last year, the salaries ranging from \$150.00 to \$175.00 per month, a new teacher starting in at \$150.00 per month and receiving \$5.00 per month for each succeeding year until the salary reaches the maximum amount

Have 36 Teachers This Year

A total of 36 teachers, 14 in the high school and 22 in grades will be employed this year and the total annual pay roll will reach nearly \$50,000.00, the president of the board stated this morning. Approximately \$5,500.00 per month is paid in salaries to the different teachers.

## DECATUR YEOMEN WON BALL GAME

Defeated Fort Wayne Sunday; Quinn and Hill Made Fine Addresses

Decatur Yeomen won a neat victory in their baseball game with their Fort Wayne brothers in that city last Sunday, capturing the contest by a score of 10-2 and thereby winning a beautiful red and green pennant. Red and Green are the colors of the organization. The baseball game was played as the opening number on the program of the big Yeomen picnic held in Centerville park.

There were forty-nine Decatur people at the picnic and everyone enjoyed the day very much. During the afternoon program, Mr. French Quinn of this city, drew a round of hearty applause at the close of his half hour address.

"I have learned more during the two months I have associated with the people of Decatur in regard to the selection of a site for the Yeomen City of Childhood than I learned during my four years of college work," said Mr. R. L. Hill, state manager of Indiana Yeomen, in his address Sunday. Mr. Hill openly declared himself in favor of Decatur as the logical choice of the many cities for the new home.

## STOCKHOLDERS OF OLD ADAMS COUNTY BANK HELD ELECTION TODAY

The annual election of a board of directors by the stockholders of the Old Adams County Bank was held today with the result that only one change was made, A. D. Suttles, assistant cashier of the bank, being elected as one of the directors.

G. T. Burk acted as judge, and Dan M. Niblick and Charles N. Christen, acted as clerks. The board of directors is composed of the following: C. S. Niblick, G. T. Burk, W. J. Vesey, John Niblick, L. C. Warren, C. J. Vogeleweide, A. D. Suttles, F. M. Schirmeyer and E. X. Rhingcr. The directors will meet some time today and select the officers for the bank.

There will be a meeting of the Decatur Chapter Royal Arch Masons Tuesday evening at 7:30 o'clock.

## EXTRA COPS ON DUTY THIS WEEK

City and Fair Association Employ Extra Force To Handle Traffic

In addition to the special policemen and traffic men employed by the Fair association on the grounds, the city of Decatur, through the board of safety, of which A. R. Ashbacher is chairman, has placed seven extra men on the police force for the week.

Traffic cops have been placed at the Monroe and Madison street crossing on Second street and at the First street crossing on Monroe street, leading to the Monroe street bridge. Two men are at each corner one being stationed on the "toads of hell" so named by the Chicago Tribune and commonly known as traffic signs.

One extra night policeman was placed on the force, making three men on duty, they being Policemen Matt Breiner, Sam Franks and Thomas Dowling. Chief of Police Joel Reynolds is in charge, of the policemen and traffic men and up to noon today no accidents or thefts were reported, and the city officials and policemen do not anticipate any as the fair crowds have always been very orderly. The extra men were added to the force merely for the reason of taking care of the traffic.

Today the motorists are permitted to turn either to the right or left on First street, but as the traffic increases it may be necessary to allow right turns only on First street.

## CELEBRATED HIS 74TH BIRTHDAY

Citizens of Monroe Gave A Surprise for Basil Everhart Saturday

Monroe, Aug. 1.—(Special to Daily Democrat)—Saturday was a gala day for Basil Everhart. It was his 74th birthday according to records found at the home of the late Eli Ray, a brother-in-law, which show that he was born on July 29, 1848. Early Saturday morning several Monroe citizens became busy and at once proceeded to decorate several automobiles with bunting and flags, and about eleven o'clock proceeded to the home of "Baz" where they loaded him and his wife into an automobile headed by cornets, clarionets and trombone players of the Monroe school orchestra, they started a parade procession from the corporation lines and halted in front of the P. H. Tabler restaurant, where a sumptuous dinner was served in their honor which had been ordered by several citizens. After dinner they were taken to their home, where "Baz" was presented with several useful presents.

Basil Everhart is a life long resident of Monroe, well known for his eccentricities. He is a hard working man for his age, being daily engaged in hauling coal and doing other jobs, and is making a comfortable living for himself and wife.

Basil Everhart, Sr. his father, owned the land on which Monroe is located, thence running west in Monroe township, Basil, Jr., is the only surviving member of the family and claims the title of the father's estate.

This was truly a happy day and one long to be remembered by "Baz" and his wife, and by the citizens of Monroe. Basil and his aged wife, are enjoying the best of health and both bid fair to enjoy several more such occasions.
