DIDN'T BELIEVE IN BANKS; FORTUNE GONE

(By United Press.)
TAVERA, Wis., July 26.—The savings of half a century—\$40,000—were gone today because the Harigan family did not believe in banks. Three masked bandits held up and slugged Miss Ellen Harigan at her lonely farm home and ransacked the house until they found the \$40,000 in gold in the family trunk. The family has offered a reward of \$500 for the return of the treasure.

YOUNG MOTHER NOW STRONG

Her Mother's Faith in Lydia E. Pinkham's Vegetable Compound Led Her To Try It

Kenosha, Wisconsin.—"I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound. My mother had great faith in it as she had taken so much of it and when I had trouble after my baby was born she gave it to me. It helped me so much more than anything else had done that I advise all women with female trouble to give it a fair trial and I am sure they will feel as I do about it.—Mrs. FRID. F. HANSEN, 602 Symmonds St., Kenosha, Wisconsin.

A medicine that has been in use nearly fifty years and that receives the praise and commendation of mothers and grandmothers is worth your consideration.

If you are suffering from troubles that sometimes follow child-birth bear in mind that Lydia E. Pinkham's Vegetable Compound is a woman's medicine. It is especially adapted to correct such troubles.

The letters we publish ought to convince you; ask some of your women friends or neighbors—they know its worth. You will, too, if you give it a fair trial.

NEW HIGH SCHOOL

IN FORT WAYNE TO BE DEDICATED IN NOVEMBER

Fort Wayne, Aug. 10.—An entire day will be set aside in November for the dedicatory exercises for the new south side high school, the school board has decided, according to announcement yesterday of Superintendent L. C. Ward. A speaker of high repute will make the address he said. Definite plans for the ceremonies will be determined later, when it is known just when the construction will be completed.

Although the building will be occupied on September 11, by grade and high school pupils, the entire school will not be completed until in the fall. The children will occupy the south half of the building in September, and will move into the north part as soon as it is ready.
