Mole-Skins And Foot Balls Will Soon Be Brought From Storeroom

By HENRY L. FARRELL
(United Press Sports Editor)
New York, August 11, (United Press).—Right in the midst of all the

tennis and polo activities, the hot baseball race, track and field sports and big golf, football pops out of the closet.

Princeton made the first gridiron crack of the year when Bill Roper, coach of the Tigers, sent the call for candidates to report on Sept. 11.

Roper's big problem is to develop

a quarterback of the caliber of Maury Trimble and Don Lourie, two All American men. A tough job! Six candidates—Barry, Pegenkopf, Ritchie, Wingate, Fuwer and Gorman are out for the position. They are all promising and they will have to be to step into the shoes of two such illustrious predecessors.

This time last year Princeton was being hailed as the sure champion of 1921. A team of veterans was coming back and the combination had been so successful that nothing appeared in the offering to beat them. Injuries early in the season shot the eleven to pieces and instead of having the most brilliant record of years, the Tiger machine was the biggest disappointment of the season.

Yale finds herself in the same position that Princeton was last year. The Elis lost a wonderful player in Mac Aldrich, but the team this fall will start with a bunch of veteran players and that prospects are bright for a championship eleven.

Harvard is also looking to a big season. Several empty places on the line will have to be filled but the backfield will be a veteran combination of great ability.

Harvard looks to be heading for a better all-around season than Yale or Princeton. The Crimson lost only twenty-three major sport lettermen by graduation, while Yale dropped forty and Princeton lost eighty-one.

Because of the great success of the University of California eleven in the past two years and for the reason that another big east-west championship can be expected in December, the east will be watching California football with great interest.

California's chances for 1922 depend entirely upon what kind of a new line Andy Smith can develop to succeed Latham, McMillan, Crammer, and Barnes, who have all left school, according to information coming from the coast.

The backfield is expected to consist of Witter, Morrison, Nisbit and Nichols. Nichols is said to be almost as good a passer as Brick Muller, last year's sensation, who has graduated. Erb will be back at the quarter and will be understudied by O'Brien.

Dope filters east that California may not play one of the eastern teams this year, as they may have a difficult problem in winning the championship of the Pacific Coast from Stanford. Stanford under "radio" coaching from "Pop" Warner and with his assistant Tiny Thornhill in active charge, is said to have most promising prospects.

"Uncle Charley" Moran announces that Centre is coming back to beat Harvard again this fall. Do McMillin is gone, but Moran says he has a lot of other "Bos" ready to step in the hole.

Iowa coming east to meet Yale and Princeton going west to play a return game with Chicago will furnish two of the most interesting inter-sectional conflicts of years.

MEMBERSHIP TEAMS OF INDUSTRIAL ASSOCIATION ASKED TO MAKE REPORTS

Not all of the teams soliciting for new members for the Decatur Industrial Association have made their reports yet and it is not known how many new members were obtained during the drive made last week in the absence of Charles Voglweide, leader in the drive. The teams are requested to make their reports, as soon as possible, to Frances Conter, secretary of the Association. The teams are asked to make reports regardless of whether or not they obtained any new members. The association had about eighty-five members before the drive for new members was begun.

Jimmie Ehinger, son of Mr. and Mrs. Herman Ehinger underwent an operation this morning for the removal of adenoids and tonsils. He is reported to be getting along nicely. Dr. Frank Lose is the physician in charge.

Average interest payable on such securities.

At the present time about \$15,000 worth of the bonds have already been spoken for and the trustees and members of the soliciting committee do not anticipate any delay in selling the entire issue within a short time. The council has a membership of nearly three hundred.

It was decided that a heating system should be installed in the three story building and that a new roof should be placed on the same building. The roof will be put on this year, but it is thought that the heating system will not be installed until next spring.

The Knights of Columbus have their lodge and club rooms on the third floor of the building and within the next few years these quarters will be remodeled.

THE WOMAN OF POISE.
Once a rarity, is now to be observed and admired upon every hand. Indeed, no other woman can flourish long in the midst of this modern, complicated life. In the home, in business, in social life, the woman who is serene and confident wins, while the nervous, flustered individual wastes her talents and gets nowhere. Of course, poise is dependent mainly upon sound health and steady nerves. If you feel that you are being kept back in this way, why not turn to that great woman's remedy, Lydia E. Pinkham's Vegetable Compound, which was manufactured from a thorough understanding of the nervous system of women?

Youth Arrested in Fort Wayne for Impersonating Woman

Fort Wayne, Aug. 11.—Monroe Sears, 19, of Lagrange, was arrested here last night and held on technical charges for a hearing in police court this morning, when he was found to be traveling the streets in female costume under the name of Vivian Martz.

Sears, in his first story to police, explaining the presence of numerous new silk shirts, silk dresses, female wigs, hats, gloves and other paraphenalia in his room, declared that he and a "Miss Martz" were making arrangements to stage a vaudeville act in a local theater and had been rehearsing for the act. He later, however, broke down and admitted that he had stolen several of the shirts while employed as a clerk in a Fort Wayne store, according to police.

The youth, believed by the officers to be mentally unsound along certain subjects, is being held pending further investigation and it is believed that other affairs may be traced to him. He has been making his home as a roomer at 2536 Broadway where he was placed under arrest when neighbors reported his repeated appearances on the streets in female attire.

Early this morning the prisoner made a complete confession to the theft of shirts, gloves and other wearing apparel from the store in which he was employed, police announced.

A charge of grand larceny will be placed against him, it was said.

The arrest was made by Lieut. Eisenhut, Detective Sergeant Randall and Officer Bouchard.

Coach Pat Page Is Preparing for Big Season at Butler

Indianapolis, Aug. 10.—Coach Pat Page, the "wonder worker" at Butler college is carefully laying plans for what he believes will be the most successful football season in the history of the Indianapolis school.

Irvin field is being enlarged. There will be about an acre more land in side of the fence than last year. When the first game is played Sept. 23, with Wilmington college at Indianapolis the new bleachers will be complete.

Last year nineteen athletes won letters at Butler on the gridiron. Half of them will not be in school this fall. Capt. Harry Duttonhaver is one of those who is sure to return. Haggate the big line man also will be in football togs when Coach Page starts his practice early next month.

Why People Buy Rat-Snap in Preference to Rat Poison

(1) RAT-SNAP absolutely kills rats and mice. (2) What it doesn't kill it scares away. (3) Rats killed with RAT-SNAP leave no smell, they dry up inside. (4) Made in cakes, no mixing with other food. (5) Cats or dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Holthouse Drug Co., Lee Hdw. Co., Schafer Hdw. Co.

Note these New Prices on U.S. Tires

ON July 29, 1922, the lowest prices ever quoted on U. S. Passenger Car Tires went into effect—Royal Cords included. These new prices should give confidence to dealers and car owners that no lower basis of quality tire prices will prevail.

Bear in mind that these prices apply to the most complete line of quality tires in the world. Remember, too—as you read the following table—that U. S. quality has been positively maintained.
