## THE MODERN WOODMEN

To the Brotherhood  
of American Yeomen:

We, the Modern Woodmen of America, of Decatur Camp, number 9770 assembled at our Lodge room in the city of Decatur, August 10, 1922, hereby tender Fraternal greetings and good wishes to you for the philanthropic expression of thoughtful helpfulness to the orphaned childhood of

America.  
Our Fraternal orders are similar in the thought of living for others.

We believe that Indiana is the geographic and strategic center for the location of your beautiful "City of Childhood" and that our city of Decatur is the ideal spot in this ideal State for such location.

We endorse and commend the idea of the noble order of Yeomanry in this project and join hands and hearts with you and offer our co-operation in every possible way in furthering your project in "Saving the Children" of the future.

As individual members and as an organization and on behalf of the Modern Woodmen of America wherever they may be, we invite you to Decatur a city in a Community where the people "Can and Will" assist you in realizing your vision.

The above resolution duly adopted in regular session by unanimous vote and a copy thereof ordered spread of record in the minutes of the Order a copy to be published by the local press and a copy to be forwarded to

## A Song For Yeomen Day

## Tune "Yoo-Hoo"

This day belongs to Yeomen,  
And we're glad to have you here,  
We welcome you, O Yeomen,  
Every one from far and near,  
If you'll stay in Indiana,  
It will make your dream come true,  
You Yeomen need De-ca-tur,  
And we want you.

## Another Yeomen Day Song

## Tune 'My Hero' from 'Chocolate Soldier'

Our hearts are true,  
Come, Come, Our life is happy,  
Since we met you,  
Come, Come, Our city wants you,  
Everyone's longing now to embrace you,  
Yeomen so true,  
Come, Come, We want you only,  
Oh Yeomanry.
