The Royal Neighbors' Lodge will have a Hallowe'en social in the Ben Hur hall on Thursday evening, October 19. A prize will be given for the best masked person. An admission of two doughnuts will be charged.

The Ladies Aid of the Evangelical church will have a meeting and parcel post sale at the Sunday school room of the church on Thursday afternoon at 2:30. Every member is urged to be present as only one meeting will be held this month.

The Loyal Daughters class of the Evangelical Sunday School will hold their regular meeting at the home of Mrs. Arbie Kolter, 410 McBarney street, on Thursday evening. The meeting will take the form of a masquerade party and all members are asked to come masked. Election of officers will also be held.

The Philanthropic Bible class had their semi-monthly meeting at the home of Mr. and Mrs. C. K. Sheets last night. After the meeting a social hour was enjoyed by all. Various games were played. They then went out on the lawn, and made a bonfire and toasted marshmallows and roasted wieners. The next meeting will be at Krills.

The Womans Club held its first regular session of the season at the Library Monday evening. The Literature section had the program in charge of its chairman, Mrs. Nellie Parrish. Mrs. Carrie Haubold reported the purchase of a piano, which action was endorsed by the Club. The piano will be placed in the assembly room of the Library at which place the meetings will be held this winter.

The Club as a whole went on record as endorsing the Better Film Week which is to be conducted in November. Mrs. Parrish then introduced Miss Julian Clarke, of Indianapolis, one of the most prominent club women and society writers in the state, who used as her subject "A Literary Giant of the Recent Past." Miss Clarke regarded George Meredith as this character. She gave sketches of several of his works as proof that his ideals in regard to all things were lofty and his aim at all times uplifting and intellectual. At the close of her interesting lecture, Mrs. Dan Tyndall entertained the club women with three solos, which were greatly appreciated.

The Young Womans Auxiliary will meet Thursday evening at 7:30 o'clock at the home of Frances Harkless. All members are urged to be present.

## TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmothers recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussel mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

Mrs. Arley J. Wagoner returned to her home in Saginaw, Michigan, today after spending two weeks with her mother, Mrs. Catherine Schneider in this city.
