Exciting Net Contest
Won From Auburn

(Continued from Page One)

On the offense, Bobby Myers was probably best. He played a good floor game and contributed four field goals to the score. Myers is improving and should be going good by the time of the tournament. Silberg, center, and Long, forward starred for the losers.

Decatur Takes Lead

Decatur started out fast and took the lead on a pretty field goal from the side of the floor by Bobby Myers soon after the opening. A foul was called on Auburn but Dorwin missed both chances at the basket. Jack fouled and Silberg scored two points on the free throws. Silberg added another two points on the free throws. Silberg added another point on Myers' foul. Jack put Decatur in the lead again with a pretty field goal. Silberg was caught holding but Dorwin missed the free put. Jack connected for another field goal from far out sending the score to 6-3. Dorwin hit the loop after several unsuccessful shots and added two more points. Graham went down the floor for a field goal and Silberg counted another two-pointer, bringing the score to 8-7. Bourns fouled. Myers tried the chance at the basket but his shot went wild also. Silberg

fouled and Teeple tried his luck, counting one out of the two chances. Myers came in under the basket and scored on a pass from Kern. Referee Griffith received an injury to his chin when the ball hit his whistle and he took time out while Coach Moore doctored him up. Another foul was called on Jack when play was resumed but Silberg missed the throw. The half ended with the locals leading, 11-7.

Locals Increase Lead

Neither team scored for a few minutes after the start of the second half. Bobby missed an easy one under the basket. White fouled and Silberg made one out of two chances. Bud White then thrilled the crowd when he intercepted an Auburn pass, dribbled half the length of the floor, and dropped in a pretty field goal from back of the foul line. Bobby Myers brought the spectators to their feet again with a long field goal from one side, bringing the score up to 15-8. Silberg scored one out of two chances on Bobby's foul. Long dropped in a field goal and then Myers added two more points to Decatur's total with a fielder from under the basket. Bourns hit the loops for two points. Silberg added one point on Jack's foul. Dorwin made one out of two chances on an Auburn foul, and then missed a free trial on Bourns' foul. Long sank two long field goals and tied the score at 18 to 18.

With the score tied and only a few minutes left to play, the D. H. S. rooters arose and started singing their school song. This seemed to make the locals fight harder. Decatur took time out to take it over. After resumption of play, Kern came in under the basket and shot a field goal. Graham held Kern as he shot, but Dorwin missed both trials at the hoop. Kern fouled but Silberg missed the trial. Dove substituted for Graham and he was fouled for talking to his teammates before play was started again. Dorwin made the free put. This proved to be the winning point as Silberg dropped in a long field goal shortly before the gun cracked, ending the game. The final score was 21 to 20. Lineup and summary:

Here's how we

like to have a new customer put it up to us—

I'm going to buy a suit. I'm hard to fit—as finicky as they make them—I'm going to have my wife pass on it—and what she doesn't know about tailoring her mother does.

I'm a good judge of value—I've been trading at So and So's—I'm a patience trying customer and I know it—and unless I'm pleased in every particular I won't take the suit.

On reply to this "is this"—

"Will you please step this way Sir—take off your coat"—and then we go to work with our sleeves rolled up and roll out the Michaels-Stern suits!
