Field Goals

Four victories out of five games played last night isn't so bad.

Poor Out of Bounds. Huntington beat his pet last night, 30 to 16. It must be tough to get a little taste of victory and then have some naughty boys come along and blast your fond hopes. And then they played their substitutes part of the time, too.

We don't like to say we told you so, but—Butler, 29; Wabash, 21.

Are those Fort Wayne high schools trying to decide which is the worst or which the better? Recently South Side defeated Central, playing two overtime periods. Last night Central won from South Side, 17-16, after playing two overtime periods.

The D. H. S. players missed enough shots last night to win six games. It's too bad that there can't be a bigger difference in the score when a team outclasses its opponents as much as the locals did Portland last night. Anyhow, we WON.

D. H. S. has a whirlwind defense which ought to make the best of them worry a little. Bud White played another good game last night and Jack Teeple was the star of the game.

Vincennes is still going big. The Alices won from Bloomington last night, score 44 to 27. Who'll be the next to stop 'em.

The St. Joe cagers put up a good defense against Van Buren last night but they showed a weakness in advancing the ball down the floor. They were unable to penetrate the visitors' five-man defense very often and when they did they couldn't make their shots count.

Tipton gave Anderson a big scare last night, holding Stag's last to a two point win, score 28 to 26.

And how about that South Bend-Emerson of Gary game? Emerson won 20 to 19 after one overtime period.

With their star center in the hospital, Frankfort high cagers came through with a 42 to 22 win over Jeff of Lafayette last night. This makes up for the wallop Jeff gave the Frankfort crew at Lafayette recently.

We're pickin' Indiana to lick Minnesota and Purdue to down Illinois tonight. Purdue should have a harder fight than the Crimson.

Hey, Out of Bounds, our substitutes played part of the last half against Portland last night.

In Hiron, Portland has a mighty good basketball player. The lanky boy caged five baskets from the field last night and most of them were from long range. The entire team is a clean bunch of players. Come again Portland.

Moses Augsburger of Hartford township was a business visitor at this office this morning.

The D. Y. B. class of the United Brethren church met Friday evening with Mrs. Earl Myers. Mrs. Artie McGill and Mrs. George Mumma were assistant hostesses and fourteen of the regular members and five invited guests were present. During the business session it was decided to give a two cent supper in the near future providing a room up town could be secured. It was reported that the members of the class had made fifty visits during the month in the interest of the revival meetings that were in progress during the first two weeks of February at the United Brethren church.

FRENCH GROW MORE SEVERE

No Mercy Shown for Germans Who Defy Orders in Ruhr District

(United Press Service)
Berlin, Feb. 17.—(Special to Daily Democrat)—Sentences of increasing severity are being imposed by the French upon Germans who defy their orders in the Ruhr.

Burgomaster Havenstein, of Oberhausen has been given three years in prison and Burgomaster Schaffer, of Essen three years for refusing to sign French requisition orders. Schaffer was also fined 5,000,000 marks. Director Bushmann, director of the electrical works at Essen was fined 5,000,000 marks for refusal to supply the French headquarters with electricity.

Paris—Total surrender of the Germans is the only solution of the reparations problem acceptable to France according to a note sent to Great Britain, a newspaper here said. The note in the most precise terms, stated, that France could not admit it possible for an ally to pretend it play the part of a mediator.

Fort Wayne Phi Deltas to Play Here Tuesday

The Phi Delta Kappa basketball team of Fort Wayne will play the Decatur Phi Deltas in the old gymnasium here next Tuesday night. The Fort Wayne team is composed of fast players and they have played a number of games this season. The local Phi Delta team played its first game last Thursday night against the G. E. second team. The local line-up will be strengthened for the game Tuesday night and a good game is expected. There will be a good preliminary game also.
