## SENATOR NEW IS APPOINTED

Named Postmaster General  
Today by President  
Harding

(United Press Service)  
Washington, Feb. 27.—(Special to  
Daily Democrat)—President Harding  
gave Senator Harry S. New of Indi-  
ana, recently defeated for reelection,  
a place in the cabinet, today.  
The president sent to the senate  
the senator's nomination to be post-  
master general. New succeeds Post-  
master General Work of Colorado  
who was selected as secretary of  
the interior to succeed Albert Fall  
whose resignation becomes effective  
March 4.

The senate confirmed Senator New  
on a motion of Senator Lodge by a  
unanimous vote in open session. The  
shift in the cabinet will take place on  
March 4th.

The President is understood to  
have made his selection about ten  
days ago. He has been under strong  
pressure not to appoint New.

In putting New in the cabinet Har-  
ding is standing by an old friend.  
Some factions of the republican party  
have bitterly opposed the appoint-  
ment.

Work being a western man has  
been keenly interested in matters  
coming under the jurisdiction of the  
interior department.

New is 64 years old. He was born  
in Indianapolis and spent most of his  
life in Indiana. He was elected to  
the senate in 1916 but was defeated  
for renomination by Senator Bever-  
idge in the primaries last year.

Work is 62. He was born in Indi-  
ana county, Pennsylvania. For many  
years he was a prominent physician.  
President Harding first named him as  
assistant postmaster general and  
then elevated him to the head of the  
department when Will Hays resigned  
to become czar of the movies.

school last week on account of hav-  
ing the flu but is able to be up at  
present.

from Muncie Sunday afternoon in  
the Wells Bros. ambulance. True  
had been sick with the flu some time  
ago, but was able to return to his  
work at Muncie last Monday. His  
condition became worse, and al-  
though it is not considered serious,  
it was thought best to bring him to  
the home of his parents, Mr. and Mrs.  
Barney Miller.

Arch Heller, of Fort Wayne, spent  
the week-end at his parental home  
near here.

The fire alarm was sounded early  
last Friday morning and in a few  
minutes a crowd had gathered at  
the residence of Alvy Vorhees. How-  
ever, the blaze had been discovered  
when it first started and was extin-  
guished in a short time. The fire  
was apparently caused by a defect-  
ive chimney and did very little  
damage.

John Banta and wife went to Will-  
shire Sunday morning, being called  
there by the death of the former's  
foster sister, Mrs. Walter Johnson.  
Mrs. Johnson's death came as a  
great shock to her family as she had  
apparently been in about as good  
health as usual until Saturday night  
when she became unconscious about  
nine o'clock and remained in that  
condition until death came. Physi-  
cians say that death was caused by  
a stroke of paralysis. She is sur-  
vived by her husband and eleven  
children.

end with his wife and little daugh-
