SULPHUR CLEARS A PIMPLY SKIN

APPLY SULPHUR AS TOLD WHEN YOUR SKIN BREAKS OUT

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Rowles Menthio Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Menthio Sulphur and use it like cold cream.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen, of Rochester, N. Y., suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allen's, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Allen's with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment. Holthouse Drug Co. can supply you.

Woman Will Contest Congressman's Election

(United Press Service)
Chicago, March 1.—(Special to Daily Democrat)—Mrs. Winifred Mason Huck, defeated for the nomination for congress from the second Illinois district in Tuesday's primary, perfected her plans today to contest the election before congress.

"I shall charge that Morton D. Hull, who beat me by only 5,000 votes spent \$100,000 to win," Mrs. Huck said. "The law permits him to spend only \$5,000. His action puts him in the Newberry class."

Mrs. Huck said she would file her charges immediately on her return to Washington where she is serving as congresswoman at large.

Hull denied the charges.

"I doubt, if my total expenses exceeded \$2,000," he said. "I will file a tabulation of my primary expenses in a few days."
