Kellogg's Bran is Guaranteed to give relief BECAUSE IT IS ALL BRAN!

Relief from constipation, whether it be mild or chronic, will follow the regular, every-day eating of Kellogg's Bran. We have thousands of letters from former sufferers who tell us that the natural "bulk-action" of this wonderful cereal product has given relief they have not known for years. We guarantee that Kellogg's Bran will free the system from constipation because it is ALL BRAN—not a composition in which bran is added. If constipation is to be permanently relieved, you must eat ALL BRAN—that's why your physician will recommend Kellogg's for constipation.

Constipation creates toxic conditions which poison the blood and every organ of the body. It slows you down mentally and physically, and creates sick headaches, nausea, bad breath, pimples—finally, in many cases, leading to Bright's disease, diabetes and other dreaded illnesses. You must fight constipation with Kellogg's Bran regularly if you want health!

You'll say Kellogg's Bran is really delicious—it has a nut-like flavor that appeals to the most fastidious appetite. Eat it as a cereal, sprinkled on hot or cold cereals or cooked with hot cereals, allowing two tablespoonfuls of bran for each person. Be certain to eat at least two tablespoonfuls each day; as much with each meal in chronic cases. Kellogg's is delicious made into muffins, macaroons, raisin bread, griddle cakes. Reepies in every package. Kellogg's Bran is served by leading hotels, clubs and restaurants in individual packages. It is sold by all grocers.
