

"To the Advantage of Consumers and the Public"

A court in Wisconsin declared recently that "the marketing policies of the Standard Oil Company (Indiana) work to the advantage of consumers and the public."

The LaFollette investigating committee in Washington brought out facts which proved the same thing.

The investigation of this Committee developed, we believe, just why the Standard Oil Company (Indiana) has been uniformly successful, and why it has within the comparatively few years of its existence contributed so materially to our national prosperity—more particularly the prosperity in the Middle West.

The Standard Oil Company (Indiana) attributes its success primarily to the fact that it earnestly desires to render the public a complete cycle of essential service, from oil well to refinery, to the consumer.

The Standard Oil Company (Indiana) is a large retailer of its own products. It maintains for this purpose a distribution system which for size, thoroughness, and efficiency is unequalled in the world. It maintains and expands its business solely on a basis of quality and service.

The Standard Oil Company (Indiana) has steadfastly maintained the policy of minimizing the spread between manufacturing costs and retail selling prices. This has meant, and means today a low price for gasoline and other petroleum products as compared with other essential commodities. A glance through any Department of Labor Bulletin featuring comparative prices for necessities will demonstrate this fact.

The Standard Oil Company (Indiana) is proud of its success. It believes that its methods are exceptionally efficient. It believes that in many instances they have been a valuable contribution to the country's economic progress. It believes that the Company's activities redound to the advantage of the consumer and the public.

Tourney Won by Liberty Center Five

(Continued from Page One)

Center sending the score to 6 to 2. Union Center took time out. The rest appeared to give the "Gymless Wonders" a little more pep and they obtained many shots during the next few minutes but they all went wild. The Union Center players were taking many long shots, it being very difficult to get through the strong Liberty Center defense. Huffman, Liberty Center back guard, committed a personal foul, but Thoma missed both chances from the free throw line. The ball was whipped from one end of the floor to the other during the remainder of the half, with neither team being able to score. The half ended with the score standing 6 to 2 in favor of the champs.

Union Center Weakens

The Union Center players showed the effects of the gruelling battle when they came on the floor at the start of the second half. They were still fighting, however. Walker fouled and Kelly Moore made one out of the two free throws, score 7-2. Thoma, the speedy Union Center forward came down the floor fast and connected with the basket for a field goal. Score 7-4. Huffman fouled again but Thoma missed the free throw. Kenneth Moore sent the score up to 9-4 with a pretty field goal. Landis fouled near the basket, and Thoma made one out of the two free chances. Score 9-5. Crow was sent in for Fundeburg in the Union Center lineup. Kelly Moore fouled and Crow made one out of two free throws. Score 9-6. The wonderful endurance of the Liberty Center five was beginning to show up as the hard battle told on the Union Center players. Kenneth Moore broke through the Union Center defense for a field goal. Score 11-6. Huffman held Crow as he dribbled down the sideline. Crow lost his temper and struck at Huffman. Crow was fouled and put off the floor. Kelly Moore scored a point on the foul. Fundeburg returned to the Union Center lineup in Crow's position.

Champs Increase Lead

Landis sank a pretty field goal and Kenneth Moore followed suit, sending the score to 16-6. Thoma added one point for Union Center on Kenneth Moore's foul. Score 16-7. Walker revived Union Center's hopes with a pretty field goal. Score 16-9. Sills broke through the Union Center defense for a short field goal and Landis tossed one in from near the center of the floor. Score 20-9. A double foul was called for rough playing. Kelly Moore scored for Liberty Center but Walker missed the throw for Union Center. The gun cracked, ending the game and tournament. Final score 21 to 9.

Lineup and summary:

Liberty Center 21 Union Center 9
Kelly Moore.....F..... Thoma
Sills.....F..... Fundeburg
Landis.....G..... Walker
Kenneth Moore.....G..... McBride
Huffman.....G..... Grindley
Substitutions: Crow for Fundeburg
Fundeburg for Crow.

The Junior Club will meet Thursday evening at the home of Miss Eloise Lewton, at her home on North Second street.

The Winona Camp Fire Girls met at the home of their guardian, Miss Margaret Ashbacher, Saturday afternoon at 2 o'clock. Games were played and a short business session was held. Delicious refreshments were served by the hostess.

Harry New Is Now Postmaster-General

By Lawrence Martin
United Press Staff Correspondent
Washington, March 5.—(Special to Daily Democrat)—"Old Abe Martin," also known as Harry New, came down from the capitol today and hung up his broad brimmed soft black hat under the tall tower of the postoffice department building.

"Hello, boys," was New's greeting as he took his new job as postmaster general. He was sworn in this morning to succeed Herbert Work, who became secretary of the interior.

"Come on in," he invited callers, in his pleasant Indiana accent. "But don't ask me to tell you my plans, programs, or policies." He paused, and then uttered one of those sentences which earned him the name among some of his senate colleagues of "Abe Martin."

"I would hate like the dickens to be one of those fellows who thunders in the index and then twitters down to a squawk in the last chapter."

Mrs. Barker, of Wren, Ohio, shopped here today.

JOHN CARMODY WILL TALK TO KNIGHTS OF COLUMBUS

John Carmody, manager of the Holand St. Louis Sugar company will deliver an address to the members of the Knights of Columbus at their hall at eight o'clock this evening. Mr. Carmody is a fluent speaker, well posted on the issues of the day and members of the K. of C. are looking forward to the meeting this evening with much interest.

Assessor of Union Township Resigns

Ed Miller, assessor for Union township, has tendered his resignation to William Zimmerman, county assessor and the same has been accepted. Mr. Zimmerman this morning announced the appointment of Jacob E. Ullman, to be assessor. Mr. Ullman had been serving as the deputy and will continue the work. Mr. Miller resigned because of his many other duties which prevented him giving the attention of the work of assessing which the place demands.

Mr. and Mrs. Albert Johnson, of Fort Wayne, visited relatives here over the week-end.

their exact ages when registering. The vote was 47 to 41.

The counties of Wells and Blackford will be separated into two judicial districts under a bill which has been passed by the legislature, and was signed by Governor McCray. The bill was introduced in the senate by George Saunders.

Demonstrate Ice Thawing Device Here

(Continued from Page One)

30 pounds, is maintained. When the nozzle, from which the steam bows, was placed on the ice this morning, it was but a jiffy until it had eaten its way through and those who saw the demonstration are convinced that it is a great device, even for the plumber, for we believe a person could thaw out every pipe in his house in two minutes.

When a hydrant is frozen, the nozzle is placed within the hydrant and the pressure turned on and it would have to be an extremely large cake of ice to withstand the heat. As proof that this thawing device is successfully used, the city of New York has installed 21; Boston, 10; Jersey City, 9; and Fort Wayne, 6. In an actual test, ice frozen solid in a five foot length of 6 inch pipe, was melted in 25 seconds.

The purchase of the Ross Thawing device will more than likely be reported to the council Tuesday evening.

VICKS VAPORUB
Over 17 Million Jars Used Yearly

One Quality But 4 Flavors

Do you know there are four kinds of Karo? In the *Blue Can* you find a delicious golden brown syrup for pancakes and sliced bread—for cooking, baking and candy-making.

In the *Red Can* is the crystal white syrup—for cooking, baking and candy-making. Many prefer it as a spread for cakes, biscuits and waffles.

The new Karo in the *Square Can* (Green Label) is a combination of a pure maple sugar syrup, delicious for pancakes, sliced bread, etc.

Karo in the *Orange Colored Can* has a delightful maple flavor and you serve it just as you serve maple syrup.

One quality—4 flavors—that's the Karo story. And you can get any kind you like at your grocer's today.
