Educational Films in Big Demand in Indiana

Educational movies are popular in Indiana. A recent survey undertaken at the University of Chicago shows that Indiana ranks third in number of users of educational films and slides provided by a state university. At Indiana University more than one million feet of film and hundreds of

slides are available for use at cost by educational, religious, and civic organizations over the state. At East Chicago recently 3000 school children attended I. U. film showings and East Chicago was then only one of 142 communities being served.

#### OVERTHROW GOVERNMENT

(United Press Service) St. Joseph, Mich., Mar. 30—(Special to Daily Democrat)—The present government of the United States should be overthrown and a dictatorship of the proletariat put in, William Z. Foster declared today, testifying in his trial on charges of violating the Michigan Syndicate law.

O. L. Smith, prosecuting attorney, cross examining Foster, asked, "Do you think to correct things in the government of the United States that government should be overthrown and a dictatorship of the proletariat such as Russia established?" Foster replied, "Yes. Just what followed in Russia would not occur in the United States under such a dictatorship."
