

GENEVA HIGH SCHOOL TRACK TEAM

Above is pictured the Geneva high school track team which won second place in the Adams county track and field meet held at Beilert Park here on April 21. Claude, the star of the Geneva team, who tied for second place in the high jump at the state high school track meet last spring, and who won 11 of Geneva's 13 points in the county meet here this year, is pictured fourth from the right in the back row.

The Glory of my hair—How I got it

By Edna Wallace Hopper

My youthful beauty is the talk of the country, because of my grand old age. I have been 32 years a stage star, yet I look like a girl of 19.

My hair is my greatest glory. It is thick, silky, lustrous, and it grows finer every year. Gray hair, falling hair and dandruff are troubles I never knew.

Many years ago my mother took me to France to search for the greatest hair, she knows to science. We found it and used it. Mother died at 57 with hair like mine today. And by hair is much more beautiful than 30 years ago.

I have supplied the same formula to many of my friends. They secured like results. Their hair, like mine, is the marvel of all who see it. So I believe that any person, in my way, can multiply the beauty of the hair, and keep it young and healthy. Now I am sharing with all who wish it the matchless help I found.

Like a garden

Those experts told me that the scalp is like a garden. An oil called Sebum hardens there and stifles the hair roots. Dandruff attacks the scalp. Then the choked hair roots deteriorate or perish.

The pigment which gives hair its color is stifled in like way. Then the hair falls out, turns gray, and ceases to grow and thrive. Just as flowers

are stunted if left choked by weeds. The remedy is to cultivate the scalp. Attack the dandruff, soften the hardened oil, stimulate the hair roots, fertilize the scalp. So those French experts made for me the formula to do that.

Applied in drops

I call this formula my Hair Youth. I am having it made for all who want it, just as it is made for me.

I apply Hair Youth with an eye-dropper, directly to the scalp. This method does not muss the hair. I apply it once a day, but experts say that those with dandruff should use it twice a day. In 20 years I have never missed an application, and I never shall.

I believe that Hair Youth will do for millions what it did for me and mine. If so, it will be a blessing to all womankind.

Edna Wallace Hopper's Hair Youth sells everywhere at 50¢ and \$1, with eye-dropper. Also my Facial Youth—my famous liquid cleanser. Also my Youth Cream—my fruity cold cream. Also my White Youth Clay. My Beauty Book comes with each.

Please learn what Hair Youth means to you. If the first bottle fails to satisfy, your dealer will return the price.
