CABLEGRAMS CHEAPER

Western Union Office Notified of Drop in Rate

The local branch of the Western Union Telegraph Company has received announcement of new rates on cablegram messages between the United States and some of the foreign countries.

The rates to Great Britain and France have been reduced from 31c to 28c a word. The deferred rate on the message which is filed and sent at the will of the manager is 14 cents; Germany the rate was 36c and now 32c, the deferred rate is 16½c; to

Greece, rate was 43c, now 41c, the deferred rate, 20½c; to Italy, was 37c, now 34c, the deferred rate is 17c.

Overnight cable letters are taken at the local station for any country of Europe at a rate of 8c per word with a minimum of twenty words. Week-end letters of letters filed at any time during the week, to be sent on the week end are taken at the rate of 7c per word.

**IF BACK HURTS
FLUSH KIDNEYS**

Drink Plenty Water and Take Glass of Salts Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which every one should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

**Bluffton Is to Have
Another Piano Factory**

Bluffton, Ind., May 3.—The City of Bluffton is to have a second piano factory which will be established by a company headed by B. K. Settergren, of this city.

This became definitely known today with the announcement by Mr. Settergren that he had tendered his resignation as superintendent of the H. C. Bay Company factory here, in a written communication to President H. C. Bay of Chicago. The written resignation gives the Bay Company thirty days notice, and Mr. Settergren's service with the Bay Company may become effective sooner, at the pleasure of Mr. Bay.

Coincident with the announcement of his resignation, Mr. Settergren in stating his purpose to establish another piano factory here, reported the purchase of a site for his new factory, the cement block factory building on South Indiana street, formerly used in the manufacture of cement products, but more recently the headquarters of the Bluffton Building Company.

ASK AID OF SPORTSMEN

Statistics on Geese and Ducks Wanted by Conservation Dept.

The United States biological survey has asked Indiana sportsmen and citizens to help gather statistics regarding the mating and breeding of wild ducks and geese in this state, and to this end is sending out through the state conservation department, blank questionnaires. Sportsmen and others are being asked to provide the data.

"Several hundred similar blanks were mailed to Indians last year with hardly any returns. This was very disappointing because we know there were some wild ducks bred and reared in this state in 1922 and will be again this year," George N. Mannfield, chief of the fish and game division, said.

The biological station wishes such data as: Exact location of breeding grounds and name of birds, ducks and geese; dates when seen mating, dates when seen in mated pairs, dates of nests found without eggs, dates of nests found with egg or eggs, dates of nests found with young and dates of downy young found out of nest.

According to conservation officials, members of 160 organized fish and game protective associations of this state will be asked to assist in providing the government with desired data.

**Believe This
Stomach Remedy
Invaluable**

November 18, 1921
The Orth Laboratory Co., East Liverpool, Ohio.

Gentlemen—I have been using Doctor Orth's Stomach Remedy in my family for nearly a year, and had previously used other remedies, but Doctor Orth's Remedy is, without question, the best Stomach remedy on the market today. It is absolutely safe to take and leaves no bad after effect.

Most people eat too much or eat food that does not digest readily. A little dose of Orth's Remedy taken according to directions after any kind of meal you eat will give relief. Rarebits and Club Suppers, Lunch Counters and Restaurants need not be avoided if you have Orth's Remedy at hand. I know by experience that it will give satisfaction.

I am prompted to send you this testimonial to use in advertising your remedy because I believe every family in the land should have the remedy on hand to use as occasion requires. Signed, GEO. E. MORRIS, County Auditor's Office, Warren, Ohio.

**Woman Is Hanged for
Murder in Canada Today**

Fort Saskatchewan, Alberta, May 2.—(Special to Daily Democrat)—Florence Lassandra, the first woman hanged in Canada in 24 years and one of the few ever hanged on the North America continent, went to her death on the gallows here today. Her hanging followed that of Emil Picarillo, who was hanged at 5:15 a.m.—approximately half an hour before Mrs. Lassandra.

The two had been convicted of the murder of Constable Lawson of Crow's Nest Pass, Alberta. Before the trap was sprung, Mrs.

Lassandra confessed that she had fired the first of the shots which killed Lawson. The same gallows were used for both executions.

Instead of an embroidered monogram, some very smart sport frocks of heavy crepe have a cut-out effect filled in with a fancy design in braid or silk covered cord.
