#### Grays to Play Preble Sunday

The Decatur Grays will journey to Preble Sunday afternoon where they will play the baseball team of that town. The game will be called at 3 o'clock. Both teams have been playing good ball this season and a fast game is expected. McBurnes and Schulte will form the battery for the Grays, while Lindemann or Selking will pitch for Preble, with Smith doing the receiving. Preble claims to have defeated the Grays on Memorial day but the management of the local team states that he had no game booked for his team on that day and that the team defeated by Preble was a team composed of players from three different teams.

At a lovely dinner party Monday evening, at the Sigma Kappa Sorority house at Bloomington, Miss Anita Swearinger announced to forty sorority sisters and friends the date of her wedding to Horace Oldham, of Greenfield. A large basket of pink roses formed the centerpiece, the colors of pink and white being carried out. From each rose a dainty white ribbon led to the tiny cupies, which were dressed in pink tulle and placed at each plate. The charming place cards opened to reveal the secret "Dinky and Jack, June 17th, 1923." Miss Swearinger is the eldest daughter of Mrs. Lulu Swearinger of this city, is a graduate of the local high school and of Indiana University. #### Germany To continue Her Passive Resistance

(United Press Service)  
Berlin, June 9.—(Special to Dealy Democrat)—Germany will continue her policy of passive resistance in the Ruhr valley unabated.

This is the answer of Chancellor Cuno to the French demand that Germany first abandon her Ruhr policy before any reparations solution will be discussed.

It was expressed today in an address to press representative at Munster. The policy of passive resistance against French occupation must continue, he said.

## FIERY, ITCHY SKIN QUICKLY SOOTHED WITH SULPHUR

Rowles Menthio-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing soothes fiery skin eruptions so quickly, says a noted skin specialist. The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Rowles Menthio-Sulphur always heals eczema right up. A small jar of Metho-Sulphur may be had at any good drug store.
