The following account of the marriage of Miss Helen Bowser and Lester Tyler, in Coldwater, Michigan, last evening, will be of interest to many local people, as the bride's parents, Mr. and Mrs. Chancery Bowser, were formerly residents of this city. They left here four years ago. The bride is the granddaughter of Mrs. S. O. Bowser, also a former resident of Decatur and now living in Coldwater. The account of the wedding was taken from a Coldwater paper. It is as follows: "A pretty and quiet wedding was celebrated at the home of Mr. and Mrs. Chancery Bowser, 83 East Alden street, Saturday evening at 8 o'clock, when their daughter, Miss Helen Bowser, became the bride of Lester Tyler, son of C. R. Tyler, of the state of Iowa. The bride was gowned in white crepe, and she wore a veil, carrying an arm bouquet of roses and swansonia. Her bride's maid was Miss Marion Balcom, who was gowned in white crepe over orange. She carried a bouquet of sweet peas to match her gown. La Vern Gresley, brother-in-law of the groom, acted as best man. The bridal party descended the stairs and were met by the groom and his best man. They took their places under an improvised altar of peonies and other seasonable flowers. Miss Lorene Bowser, a sister of the bride, and a 12-year-old miss, gowned in lavender, played, "Then You'll Remember Me," by Blaise, while Mrs. Claude Fulkins, an aunt of the bride, who wore white silk, trimmed in lavender, sang the words. Mrs. Emery McVay, gowned in tan silk crepe, acted as mistress of ceremonies. The impressive ring service was read by Rev. R. A. Wright, and during the service, musical accompaniment was played. The interior of the home was made beautiful with numerous bouquets of peonies, roses and other flowers. Following the service, refreshments were served. The happy couple will be at home to their friends in an apartment at 90 West Pearl street. They received many fine gifts of silver, linen and cut glass."

Mrs. Hugh Hite was hostess to the Psi Iota Xi Sorority last evening at her home on First street. Pledge ceremonies were held for Mrs. Marie Ahr after which plans for the stand on Firemen's Convention day were made. The stand will be located on the north side of the Boston Store and hamburgers, hot coffee, ice cream, pop and cones will be sold. Delicious refreshments were served by the hostess. Mrs. A. R. Holtzhouse will have the next meeting, which will be a business meeting, July 3.

A very pleasant surprise party was given Sunday, June 17 in honor of Ed, Henry and Lucinda Borne at the home of Grandma Borne, two and one-half miles south of Magley. The three birthdays fall on the 17,

20 and 23 of this month and it was carefully planned to celebrate them at the old home. All but two sons of Grandma Borne were present, who were Lewis, of Muskegon, Michigan, and Gust, of near Convoy. The three birthday cakes adorned the long table which was set in the yard and loaded with good things to eat. Those present were Grandma Borne, and granddaughter, Helen; Mr. and Mrs. Wesley Mankey, of Montpelier; Mr. and Mrs. Newton Macklin, and children, Crystal, Dale, Myrtle, Helen and Max; Mr. and Mrs. I. Spalding, of Montpelier; Mr. and Mrs. Ed Borne and children, Ruth and Gladwin; Miss Christene Borne; Lucinda Borne. Mr. and Mrs. Albert Borne and twins, Donald and Darrell; Mr. and Mrs. Henry Borne and children, Brooks, Hazel and Hope; and Mrs. Russell Mankey, of Montpelier.

The Delta Chapter of the Delphians had a picnic dinner Monday evening in the Waterworks Park, as

the final wind up of this year's work. The banquet, which was to have been the closing event, was given May 21, at the Murray Hotel, because of two of its members leaving, namely Miss Maude Anderson and Miss Lena Rutledge. At this meeting Miss Agnes Sellemeyer gave an opening address to the fifteen club members and the fifteen guests. Miss Ella Mutschler and Miss Effie Patten gave toasts after which Mrs. Ross Lockridge, a member of the Fort Wayne chapter, gave an interesting talk on "The Delphian Movement." This society was organized in this city last September and has a national scope. The purpose of the organization is for stimulating interest along educational and cultural lines in America as well as self improvement. Each year, for six years, the chapter studies different subject. The first year takes up the study on "The Epoch of Progress," second, "Grammar," third, "History of Art," fourth, "Modern Nations," fifth, "Poetry and Music," and sixth, "Middle Ages and Stories and Modern Fiction." Next year the chapter will take up the subject of "Drama" for the beginning of the year. They meet twice a month and the meetings were held at the home of Mrs. W. E. Smith during the past year, but the meeting place

for next year has not yet been decided upon. The Delta chapter organized with thirteen charter members and closes this year with fifteen members. The opening meeting for next year will be held in September.

The Philathae class of the Baptist Sunday school will meet Friday evening at the home of Mrs. Brice Butler on Third street. Mrs. Will Winnes will have charge of the program for the evening.
