SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Rowles Mentho-Sulphur, declares a noted skin specialist. Because of its germ-destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Are You Equipped To Win Success?

Here is your opportunity to insure against embarrassing errors in spelling, pronunciation and poor choice of words. Know the meaning of puzzling war terms. Increase your results in power and success.

street, south to Adams street, east to Second street, north to Monroe street and west to the Fire Department where the parade will be disbanded. Mounted police will head the parade, followed by the Decatur General Electric band, officers of the association visiting and city officials, fire company securing the 1924 convention, other fire companies and visiting automobile fire trucks in the order named. Substantial prizes will be given for the best fire companies in the parade, the largest company in the parade, the best band in the parade.

Following the parade the various contests will be held on the city streets. These contests will include hose laying contests, running and ladder contests, truck races and water battles. Prizes will be awarded to the winners in each contest. A baseball game between the Decatur American Legion team and the Fort Wayne firemen will be played at Bellmont park following the parade.

A concert will be given on the court house square beginning at 7 o'clock by the General Electric band of Fort Wayne. With the Great White Way shows exhibiting on the streets in addition to the many attractions furnished by the firemen, the day promises to be a full one.

Pick Hamilton As Convention City In 1924

(Continued From Page One)
 The roll call of chapters was held during the evening and a majority of the chapters in the district were well-represented. Most of them reported a good number going to Lake Wawasee next month. The Rev. V. L. Clear sang a solo during the program, also.

Decatur Leaguers Give Reception
 Following the regular stunt program the members of the Decatur league gave a reception for the visitors. Mrs. J. R. Blair gave two readings; the men's chorus sang two selections and Miss Faye Stults led the congregation in a song entitled, "Smile A While." Punch and wafers were served by the local leaguers.

One Piece Bathing Suit Is Passing
 New York, June 20.—No one can say "Oh Horros!" when they look at the bathing suit beauties at the resorts this season. For behold! their costumes no longer can consist of the slick-fitting one-piece suit. They are garbed in the most modest bathing attire that we have seen since the long-sleeved, long-stockinged era.

Perhaps we are witnessing a revision from the "skin-tights" of previous seasons, when every woman, regardless of her physical charm, displayed herself before the public in a form-fitting bathing suit. Not one girl in one hundred really had good reason for wearing them and yet, regardless of the beach censors, they wore them claiming that they were the only sensible costumes for swimming. Many of them never got nearer the water than the board-walks.

Colors the Rage
 The beaches have never looked prettier than they do at this season with groups of women garbed in colorful batiks. Color rages rampant. The idea this year seems to be to look as alluring as possible, rather than as dress as scantily as possible.

One imagines that the beach is covered with little girls in party frocks that are cut short at the knees merely short-skirted women in the smartest of bathing attire. Many of

these suits are made of changeable taffetas, with long slender bodices and ruffled or tiered skirts. Others are made of bandana squares with bloomers of solid color matching the border of the bandana. India prints are used in the same manner. With the printed bathing costumes, bright colored shoes and caps are used carrying out the main color in the print.

Capes of cretonne and rubberized materials also add a degree of modesty to the beach costume. Only at the resorts which are frequented by the tenement dwellers does one see a display of figure this year.

of tan, taupe

or black.

Bathing Caps

Caps this year are absolutely captivating! There are those adorned with rubber trimmings, such as plumes, flowers and ribbons, which are so becoming. Then there are the tie-around turbans which are merely long strips of colored rubber which drape about the head and clasp over the brow with an Egyptian buckle or ornament.

Rubber scarfs in various color effects are among the popular accessories.

Gingham bathing suits made like children's rompers are worn by the younger girls to some extent. Often there is an accompanying sunbonnet of gingham to ward off the sun's rays.

Gompers Advocates Union Of American Farmers

(United Press Service)
 Chicago, June 20.—(Special to the Daily Democrat)—A "farmers' union,"—organized like the great labor unions of the country—is the only hope of the American farmer in his fight for a 'square deal.' Samuel Gompers, president of the American Fed-

eration of labor, told the National grain dealers, bankers, and transportation interests, was called by the conference, attended by 500 governors of seven states to increase representatives of farmers, millers, the price of wheat.
