Housewife Becomes New Woman
"All of our best doctors had given me up. I was unable to leave my bed for 16 weeks and was yellow as a pumpkin, besides the terrible stomach pains I suffered. Our druggist advised my husband to try Mayr's Wonderful Remedy and it has saved my life. I am a new woman now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.
Big reduction on all Summer Hats. Many hats reduced to \$1.00.

AGAIN AMERICA'S FATE Depends on a Slice of BREAD

The nation which a few years ago was taught to eat Less Wheat must today be shown the necessity of eating MORE WHEAT.
Give the farmer a fair price for his wheat crop and you give him the power to buy farm equipment, erect silos, build modern homes, motor cars, amusements and a few of the joys of life.
A fair price for wheat means smoking chimneys for American factories—and a full dinner pail for American workers.
A low price, or an unsold crop means soup lines, poverty and distress.

Klan To Hold State Meeting At Bluffton

Bluffton, June 22.—A state rally of the Ku Klux Klan similar to the one held at Hartford city Wednesday evening, is to be held in Bluffton on the evening of June 27. There will be an immense parade followed by pledging candidates and fireworks. Several bands will be in the parade.
Hartford City saw one of its largest crowds Wednesday evening when Knights of the Ku Klux Klan gathered there at a state rally. Wells county was represented by a crowd of three hundred, most of them going to Hartford city by automobile. A special car over the Union traction line conveyed those without autos.

The celebration started with a big parade, the klansmen appearing in uniform. Represented in the parade were the following cities and towns: Indianapolis, Muncie, Richmond, Marion, Newcastle, Tipton, Wabash, Bluffton, Dunkirk, Redkey, Portland and Lebanon.

The parade included floats of a patriotic nature. One float attracting much attention was a schoolhouse from which school children shouted their praises of the public schools.

The Muncie ladies won the prize for the best float.

After the parade a guard was formed and the naturalization ritual was given to both the men and women. The fireworks display at Wilmer park is said to have been especially fine. Exactly 952 people participated in the parade. Women as well as the men were in regalia.
