**Accident Saturday Night**  
A small automobile accident occurred on the cement road near the Belmont park entrance Saturday night. Dick Erheart and another young man had stopped their cars and they were talking. Erheart's car had the two right wheels off the road, it is said, and the other car was parked near it. Fred Hockemeyer approached from the rear and failed to see the two cars stopped along the road. His car crashed into the rear of the other two cars, pushing the Erheart car into the ditch. The cars were damaged somewhat and Hockemeyer received a cut on his chin when his steering wheel struck him. The drivers of the two cars stopped on the road declare they had their light burning.

## Help Came When Dubie Thought End Was Near

"My troubles had me thinking my days were just about over, but now I'm a well man, and it's all due to Tanlac," recently declared Stephen Dubie, stationary fireman, 526 S. 12th St., Terre Haute, Ind.

"For four years I suffered so from stomach trouble that I couldn't eat even the lightest foods without being miserable for hours afterwards, with headaches, gas, awful cramps and a burning sensation like fire in the pit of my stomach. For days at a time I couldn't eat a mouthful of anything and lost weight until I was only a shadow of my former self. Besides all this, I couldn't half sleep at night.

Finally I got so weak I could hardly drag myself around and was losing lots of time from work.

"The Tanlac treatment straightened me right out and now I eat hearty without a trace of indigestion, never have headaches, sleep fine, have gained weight and am on the job every day feeling fine. I'll always praise Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.
