Worms Destroy Onions

Brimfield, Ind., July 18—From one-third to one-half of the prospective onion crop of Noble county has been destroyed during the last few weeks by wire worms and cut worms, which have literally descended upon the fields by the millions. Onion fields of this section are all in the lowlands, where wire worms do the most damage. The loss to growers will run in to the hundreds of thousands of dollars.

Ben Lang made a business trip to Fort Wayne this morning.

PULSE BEAT REGULAR

Bar-Tender Fails To Recognize
Cops By Feeling Their Pulse

(United Press Service)
St. Louis, Mo., July 18—(Special to
Daily Democrat) "By their pulse we
shall know them."

Believing that the quickening of a
policeman's pulse as he is about to
make an arrest, will betray him, St.
Louis bartenders are feeling the
pulses of their patrons before serv-
ing them, according to Detectives
Stowell and Mergelkamp.

Stowell and Mergelkamp walked
into Henry Borgelt's soft drink stand.
Borgelt brought them behind the bar
and after feeling of their pulse put
out a bottle. When assured it was
"real stuff" the officers took it as evi-
dence and arrested Borgelt.

"I was only kidding them about
the pulse," Borgelt explained.

The annual picnic of the Baptist
Sunday School will be held Thursday
afternoon of this week, from 3 p.m.
to 8 p.m., in Belmont Park. There
will be plenty of games and refresh-
ments. Supper will be served at 6:30,
so that all men who work may be
able to be there.
