My Youth Cream

Keeps me looking like a girl
By Edna Wallace Hopper

Mine is a grandmother's age. I have been a stage star for 32 years, and am still. Yet most girls in their teens envy my complexion—as soft and rosy as 40 years ago.
Scores of my beautiful friends have secured like results from the methods I employ. Millions can do so I believe. So I have arranged so that all who wish may get the very helps I use. I count this a duty to my sex.
A two-fruit cream
Today I wish to tell you of a wonderful cold cream. I learned the secret from French beauty experts many years ago.
I call this my Youth Cream. It embodies both lemon and strawberry. I believe this to be the only cream which combines these great skin beautifiers.
But those French experts have discovered other secrets. They have learned how to soften, whiten, feed and smooth the skin. They seem to know the secrets of perennial youth.
And certainly my Youth Cream—their creation—has helped bring that to me.
I still look 19
I apply my Youth Cream at night on retiring. Also in the daytime as a powder base. Night and day I keep it ever on my face to foster the fine texture of the skin. And my skin is like a baby's.
Compare my Youth Cream with the cold creams you have used. You will thank me for telling you about it. If it brings you half what it brought to me, it will be a life-long delight.
Edna Wallace Hopper's Youth Cream is supplied by all druggists and toilet goods dealers. Price, 60c. Also my Facial Youth—my famous liquid cleanser. Also my White Youth Clay. Also my Hair Youth, which brought my luxuriant hair. My Beauty Book comes with each.
I hope you will let my youth Cream show you how much my helps can do.

VISITOR'S DAY AT FAIR SUNDAY

Activities At Fair Ground Increasing Rapidly; Exhibits Are Coming In

Activities at Belmont park, home of the Northern Indiana Fair, are increasing rapidly each day, as exhibits, attractions and concessions arrive by train, truck and wagon, to be ready for the opening of the big fair next Tuesday morning. Sunday will be visitors' day at the fair ground, and indications are that there will be plenty of attractions on the ground by then. There always has been a large crowd at the fair ground on Sunday before the opening of the fair and, no doubt, there will be hundreds there next Sunday.

Live stock exhibits are beginning to arrive. Several draft horses from Huntington and Wabash have arrived and are being cared for in the stalls at the fair ground. A few exhibitors have brought their poultry to the fair ground, already, also, and several exhibits have been placed in the Fine Arts hall. The domestic and fine arts exhibits and the agricultural exhibits, which will be an added feature of the local fair this year, promise to be a very interesting attraction.

Racers Getting Ready

Several lively races have been held on the track at Belmont Park already, the race horse trainers putting their steeds through fast practice heats. The track has been worked down until it is in fine condition. Word was received from Findlay, Ohio, this morning that there would be forty race horses come here from the race meet there instead of thirty-six, as was stated yesterday. A telegram was received from Belding, Michigan this morning, also, stating that there would be about fifteen horses shipped from that city to the race meet here. Others are arriving daily, giving assurance that there will be plenty of entries in the speed program.

The big automobile and style show tent, centrally located near the midway, is ready for the opening and promises to be an attraction of great interest. The stage for the style show, which will be staged by E. F. Gass & Son, local ladies' furnishers, and Vance & Linn, local men's clothiers, has been erected. The style show is another big added attraction of the local fair this year. Professional models will display the fall and winter models of ladies' and men's clothing.

Many Attractions On Midway
Hall's circus and side shows will furnish the main attractions on the ever popular midway this year. In addition to the one-ring circus of acrobatic feats and animal acts, there will be glass blowers, athletic shows, midgets, two motordomes, ferris wheel, merry-go-round, whip, and other rides.

Fiscal Brokers Placed Voluntarily In Hands Of Receivers Today

(United Press Service)
Columbus, Ohio, July 20.—(Special to Daily Democrat)—The R. L. Dollings company of Ohio, fiscal brokers, and the International Mortgage and Note company, a Dollings subsidiary, were placed voluntarily in the hands of receivers by Franklin county pleas court today.

Common Pleas Judge Duncan directed that the receivers make a thorough investigation of the two companies and report to him on their findings. He deferred action on the receivership application for nine Ohio subsidiaries of the Dollings company which case he was to have heard today, until after the inventory of the parent company.

It was a coincidence that the honored guest was robed in a beautiful yellow gown with white flowing drapes. After the packages had been opened by Mrs. Roop, games and dancing were enjoyed by all. Brennan At French Lick

(United Press Service)
French Lick, Ind., July 20.—(Special to the Daily Democrat)—The attitude of George F. Brennan, Illinois Democratic leader, toward the possible candidacy of Governor Al Smith of New York for the Democratic presidential nomination, was a question of great uncertainty among political dopesters here today.

Brennan, after announcing that he had no intention of coming to French Lick during the visit of Charles F. Murphy, Tammany boss, and champion of Smith, suddenly appeared here yesterday and Brennan, Murphy and Tom Taggart, Indiana chieftan, were closeted together in a conference for several hours.

Glad Sister Escaped Operation

"Physicians had given my sister up to die; they wanted to operate for gall stones, but she was too weak and could only talk in whispers. I got her a bottle of May's Wonderful Remedy and in 3 weeks she was able to get about and walked a mile to church." It is a simple, harmless preparation that removes the catarrhal mucus from intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by The Housense Drug Co., and druggists everywhere.

OF course you expect to get back safely on all fours but one of your tires may get crippled—such is the luck of the highway awaiting every man. Take an extra tire along—we'd say take two, you can't be certain when you'll need 'em.
