

SULPHUR CLEARS A PIMPLY SKIN

APPLY SULPHUR AS TOLD WHEN
YOUR SKIN BREAKS OUT

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Rowles Menthio Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Menthio Sulphur and use it like cold cream.

Immense Irrigation Reservoirs.
Reservoirs for irrigation to be built in South America will have a capacity of 120,000,000,000 cubic feet of water, enough to cover Connecticut and one-third of Rhode Island.

DEMPSEY TO FIGHT FIRPO
SOMETIME IN SEPTEMBER

(United Press Service)
New York, July 27.—(Special to the Daily Democrat)—Jack Dempsey, the world's heavyweight champion, and Luis Firpo, South American champion will fight for the title at the Polo grounds between Sept. 9 and 15, Tex Rickard admitted today. Rickard would not make known the exact date as he claimed he had not decided himself.

With the Dempsey-Firpo match closed, talk is still turning to the prospects for a Dempsey-Wills contest, it being taken almost for granted that Dempsey will win from the South American.

Man Loses Hundreds of Dollars

"I am sorry I did not hear of Mayr's Wonderful Remedy a few years ago, as it would have saved me several hundred dollars. Five years I suffered from indigestion and severe bloating. I grew worse all the time. My doctor said an operation would be all that could save me. I took a course of Mayr's Wonderful Remedy instead and for the past year have been entirely well." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Sheep Awards Announced

(Continued from page one)

firsts and seconds. It seemed that
each man had the right sheep in the
right place and it was easy for an
unexperienced critic to pick the best
sheep in this class. The judge had
little difficulty.

Five first premiums and two seconds
were given to E. E. Bowshert in the
Southdown display, and C. L. Ross
won a first and a second. The com-
petition wasn't very strong in this
class and each entry took a premium.

Awards were given to L. J. Beniller
and E. E. Bowshert & Son in the ex-
hibition of Shewots. Mr. Beniller won
four firsts and five seconds while Mr.
Bowshert was given three firsts and
two seconds.

Bryan & Keller won all of the
awards in the Lincoln class having
taken seven first awards and seven
seconds. These men have been in
the sheep raising game for years and
have many prizes to their credit from
showing at the various exhibitions in
the state.

In the last class to be judged, W. C.
McGeath, of Montpelier, was given
the honors by winning five first places
and two seconds, while F. E. Bowshert
& Sons were awarded two firsts and
three seconds for the Dorsets that
they had on display. These were
some of the most beautiful sheep of
the whole show and people witnessing
the judging remarked that they ap-
peared to be the neatest display of the
whole show.

AN extra tire is as necessary to
an automobile as the gasoline that
makes the engine go. To go out on
th road without one is the same
thing as buying a one way ticket to
somewhere and expecting to get
back by luck. Don't take a chance—
take out tires.
