Any breaking out of the skin, even fiery, itching eczema, can be quickly over by applying Rowles Menthosulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Menthosulphur from any good druggist and use it like cold cream.

### GIANTS INCREASE LEAD

(United Press Service)

New York, Aug. 1.—(Special to Daily Democrat)—Helped by the lowly Phils, the New York Giants increased their lead to four games in the National league pennant race.

While the Phils were taking a doubleheader and winning their first game of the season from the Cincinnati Reds, the Giants took another one from the Pirates and the Reds flopped back to third place.

The Yankees open a series today with the second place Cleveland Indians and it would be a "crucial" series if the Yanks didn't have a lead of over a dozen games.

The Red Sox will work even overtime to lose. Myatt singled in the eleventh inning and drove in the run that gave Cleveland a 5 to 4 win.

### Fort Wayne Phi Delt's Surrender Their Charter

Fort Wayne, Aug. 1.—By returning the charter it has held since 1907 to the national headquarters yesterday, Iota chapter of the Phi Delta Kappa fraternity ceased to become affiliated with that organization. The action came about when members of the local chapter declared that they refused to belong to the fraternity since it was being dominated by the Ku Klux Klan.

At a stirring meeting Monday night in the clubrooms, 50 members of the local chapter voted unanimously to sever relations with the national fraternity on the grounds that Iota chapter, since its founding, has been free of religious factioning and has been nonsectarian in policy.

Persistent rumors that the Klan was trying to gain control of the Phi Delta Kappa have been heard for more than a year. Matters reached a climax, it is said, at the national convention, which was recently held at Dayton, O., when elections and all business to come before the assembly was contested by factions controlled by the Ku Klux Klan. The Klan movement, it was said, was fostered by the organization of a "J. K." faction within the national fraternity, which attempted to carry its work into every chapter of the fraternity.

Officers of the local chapter emphasized that the withdrawal is not to be taken as an "affront to the Ku Klux Klan, but as an indictment of the Klan's efforts to dominate the national fraternity."

After the action was taken, all present officers of Iota chapter were re-elected and the local organization will continue independently.
