**SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN**

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Rowles Menthosulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation. Rowles Menthosulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Menthosulphur may be obtained at any drug store. It is used like cold cream.
