## DRINK WATER TO HELP WASH OUT KIDNEY POISON

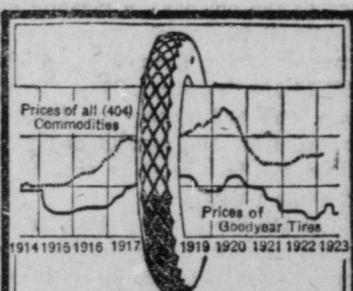

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to lead your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clear and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

The Misses Madge Spray and Edna Farling, of Bluffton visited friends here last evening.

It's always a good time to buy Goodyear Tires, for, as this chart shows, Goodyears are priced extremely low, year in and year out. But now is the best time, because Goodyears are selling today 30% below 1914 prices, and their quality now is better than ever before.

At Goodyear Service Station Dealers sell and recommend the new Goodyear Cords with the beveled All-Weather Tread and back them up with standard Goodyear Service.

The Ft. Wayne New-Sentinel gives the following account of the first subscription dance given by the Gamma Lambda chapter of the Tri Kappa sorority, of Fort Wayne, which was held at the Elks' Country Club, Tuesday evening. Those from here who attended the event were the Misses Bee Leonard, Lois Peterson, Helen Farr, Frances Jenkinson, and Messrs. Earl Taylor, Don Farr, Don Hunsicker, Bryce Thomas, and Mr. and Mrs. David Hensley.

"One of the most delightful and charmingly appointed social events of the summer season was the subscription dance given last evening at the Elks' Country club by the members of Gamma Lambda chapter of the Tri Kappa sorority. The spacious ballroom was resplendently decorated with artificial blossoms and branches entwined on white lattice from the ceiling. The sorority colors of black and white were also used and bright colored ballrooms added an atmosphere of gaiety to the scene. An especially pretty feature was the sorority blanket in black and white, with the monograms "K. K. K." which hung across one end of the hall. The delightful dance program began at 9 o'clock and continued until midnight.

The splendid music was furnished by Bill Donahue's orchestra from the University of Illinois, which has been playing an engagement at Klinger lake this season. A number of specialty dances were included in the charming program, which also had its quota of delightful song numbers, in which several members of the orchestra demonstrated their cleverness with vocal ability. About 150 couples attended the dance, which as the first subscription event given by the sorority, proved very successful. There were in attendance members from chapters at Bluffton, Decatur and other surrounding towns. Miss Mary Williams had general charge of the event. Mrs. B. B. Johnson had charge of the decorative appointments, assisted by the Misses Margaret Simminger and Hertha Stein, the latter also having charge of the ticket sale. Miss Ruth Glass, as publicity chairman of the sorority, had charge of this feature of the dance.

The Philathae class of the Baptist Sunday school will meet at the home of Mrs. E. E. Brown on Indiana street, Friday evening. Each member will contribute something toward the evening's program.

The meeting of the D. Y. B. class of the United Brethren church has been postponed from tomorrow evening until Friday evening, August 24. The meeting place will be announced later.

W. F. M. S. of the Methodist church will meet Friday afternoon at 2:30 o'clock at the home of Mrs. John Vail. Mrs. C. O. Porter will have charge of the study, and Mrs. Ben Devor, the devotionals. Every member is urged to attend and bring their mite box as they will be opened at this meeting.

The regular meeting of the W. R. C. will be held Friday afternoon at two o'clock at the Legion hall. A good attendance is desired.

Tilman Rawley Reunion The third annual reunion of the descendants of the Tilman Rawley family was held at Belmont Park Sun. Aug. 12th. The morning being rainy prevented many from coming, but there were about one hundred there to spend the day. They came with well filled baskets, and at the noon hour a bounteous dinner was spread on long tables in the hall. During the business session, the following officers were elected to serve for the ensuing year: President, Jacob Rawley; Sec. Treas. Mrs. A. Colter. They voted to meet again next year and it will be a day long to be remembered by the following who were present: Jacob Rawley; Mrs. Catherine Rugg; Mr. and Mrs. Willis Fanner and sons

A stunning coat for winter is of brown belvia cloth, with a deep shawl collar of cinnamon colored fox.

Stains made by heat may be removed by rubbing them with hot milk if they are not deep or of long standing.

## Make Your Home More Cheerful

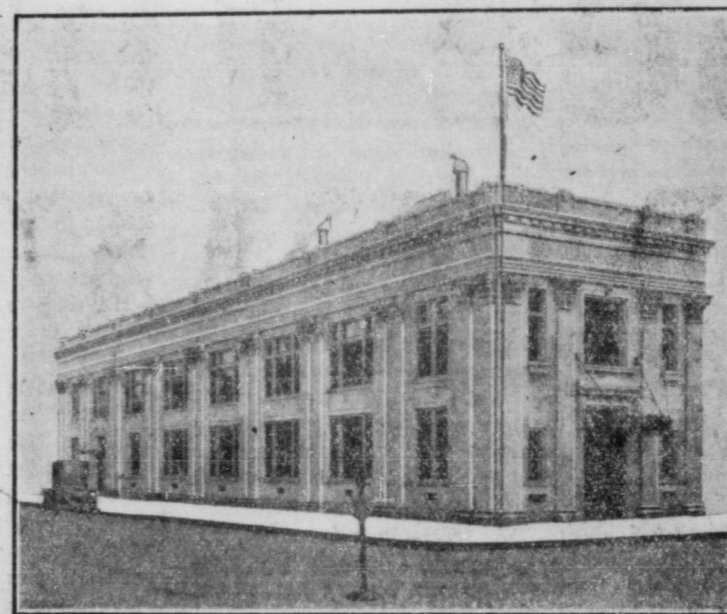

WALLS and ceilings that harmonize with your furnishings add a touch of refinement and make your home more cheerful. With BURDSAL'S Oolitic—the flat wall finish—you can obtain any number of pleasing effects. BURDSAL'S Oolitic has long been used in schools, churches, hospitals, stores and other public buildings. And because of its many advantages, it is rapidly replacing wall paper for homes. Comes in all appropriate colors—easy to apply—does not fade. Can be washed when soiled. Use it on your walls.
