Tuesday
Kirkland Ladies Club Ice Cream Social—Kirkland High School Lawn.

All members of the Christian church choir will meet at the home of Mrs. George Steel, North Fifth street, Saturday evening at 7:30 o'clock. Members are urged to be present.

Mr. and Mrs. Ernst Wiecking, of 228 West Washburn street, Bluffton, have received announcement of the marriage of their son, Wilbur E. of Los Angeles, California, to Miss Audrey Narmo, of Portland, Oregon, which took place in July. Mr. Wiecking has been employed for the past two years by the Western Electric company and has been located in Los Angeles for the past year, having formerly been located at Portland. He was graduated from the Bluffton high school in 1911 and from Purdue University in 1916.

The marriage of Miss Evelyn Spehger, daughter of Mr. and Mrs. John Spehger, four miles east of Bluffton, to Lester Pease, son of Mr. and Mrs. Joe Pease, of Crigsville, will be solemnized September 20. The young couple will reside in Ft. Wayne where the groom is employed in the office of the Pennsylvania railroad.

The Misses Frances and Helen Dugan have issued invitations for a bridge party to be given at the Dugan home at eight o'clock Wednesday evening, September 12th.

The Kirkland Ladies Club will hold an ice cream social on the Kirkland high school lawn, Tuesday evening. Everybody is cordially invited to attend.

The Winona Camp Fire Girls met at the home of Miss Elizabeth Wisner at seven o'clock Wednesday evening. During the business session a hike was planned for Saturday afternoon. Dainty refreshments were served by the hostess.

ROTARY CLUB HAS VISITORS

Coach Howard, Principal Linton, and Joe Slota Attend Luncheon.

The Rotarians had as their guests last evening, Paul W. Linton, principal of the Decatur high school, Coach Lorn Howard, and Joe Slota, of Akron, Ohio, one of the football players on the I. U. team this year. The luncheon meeting was held in the Decatur Industrial rooms.

"Buck" Howard told of his plans for making a great football team this year, but emphasized that studies came first, and asked for the co-operation and help of the Rotarians and local business men which was gladly extended to him. Principal Linton made reference to the new

course taught in the high school this year, that of "Vocational Occupation" He told how business men and Decatur citizens in general could help the teachers and school officials by encouraging the pupils and by showing an interest in the school's activities. Oscar Lankenau told of his recent trip to Canada and Lee Vance talked on the tourists camps which he visited while on his tour. Col. Fred Reppert also made one of his witty talks and the meeting was thoroughly enjoyed.

The Rotarians will continue to meet at the Decatur Industrial rooms.

Graceful Curves And Dimpled Knees Unadorned

(United Press Service)
Atlantic City, N. J., Sept. 7.—(Special to Daily Democrat)—Dimpled knees and the graceful curves of shapely limbs will be unadorned for the inspection of judges and spectators on the beach today when "Miss America," the prettiest girl in the land, will be chosen in Atlantic City's annual bathing carnival.

Beach restrictions were lifted so that the girls might appear to the best advantage. One piece bathing suits of scant design will prevail and stockings will be banished. Fifteen hundred American beauties will compete for various prizes. But "Miss America" will be chosen from among 74 hand-picked peaches who have been sent here to represent their various cities.

Iron Only Has Magnetic Power.
With the exception of one or two other minerals, such as nickel, which are only faintly magnetic, iron is the only known metal with powers of magnetism.

Plums—canned a new, better way

READ the recipe above. It tells how you can put up plums—and all other fruits and vegetables—in a new, easy way, if you own a gas range equipped with the Lorain Oven Heat Regulator.

No more hours spent over boiling kettles. No more lifting heavy boilers of scalding water. Just quickly prepare the fruit, pack in jars, and place in a

LORAIN OVEN HEAT REGULATOR

The Lorain Oven Heat Regulator is an attachment of gas range ovens. It automatically keeps your oven at any one of 44 different temperatures.

CLARK JEWEL GAS RANGES

The baked-on finish of these ranges gives them a lustrous, durable surface that is as easy to keep clean as it is good to look at. All-steel construction prevents breakage. A variety of pleasing styles and convenient sizes to choose from.

Lorain-regulated oven. Then go out of the kitchen until time to remove the jars and seal them up! Thousands of women do their canning the Lorain way every season.

Lorain oven canning keeps the natural color, shape, and fresh-from-the-garden taste. Next winter everything will taste fresh and delicious.

Come in and see the wonderful results of Lorain canning. We will gladly demonstrate the Lorain-equipped gas range shown below. Get a free copy of "Lorain Oven Canning" today. It will interest you.

Simply set the "red wheel" for any heat you want. Changes in gas pressure, etc., do not affect the oven temperature.

Woman Surprises Her Friends

"After a spell of Typhoid Fever 7 years ago I began to suffer from indigestion and gas in my stomach and colic attacks. This gradually became so bad that my doctor advised an operation for gall stones. A friend advised me to try Mayr's Wonderful Remedy which I did with splendid results. My friends were astonished at my rapid improvement. I have no more bloating and can eat anything I wish." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at the Holthouse Drug Co., and good druggists everywhere.
