

## Why Druggists Recommend Swamp-Root

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney liver and bladder medicine.

It is a physician's prescription.

Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder do the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

### CARD OF THANKS

The members of the Civic Department of the Woman's Club wish to thank the Preachers and Teachers for the splendid game they played last Monday night under their auspices. They also wish to thank the public for the liberal patronage which made this affair such a large success. The money derived therefrom will be used to keep up the playgrounds.

### Berne Band Organized Last Monday Evening

Berne, Mar. 6—Berne will in all probability, again have band concerts during the coming summer months. The news of this fact will, no doubt, be received with much welcome to most of the people in this community who will have at least some entertainment occasionally to look forward to. The first important step that will possibly indicate band concerts was taken Monday evening when the band organized.

Many of the members of the former and widely known Berne band have united with the Dunbar band and have started the ball rolling, in the way of band concerts. The band will very likely be known as the Dunbar Band, although not all of the musicians are Dunbar employees.

### ABOUT THE SICK

Mr. and Mrs. John A. Mumma who have been confined to their beds for the past two weeks are reported as feeling a little improved today. They have both been suffering from neuritis and complications. Mr. and Mrs. Mumma will celebrate their 50th wedding anniversary on March 17th and it is hoped that they will be much improved by that time.

If oil or vaseline is applied regularly to patent leather shoes from the time they are purchased they will require very little other polishing.

### IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally by Drinking Quarts of Good Water

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggish filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irradiator of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for year to help flush clogged kidneys and stimulate them to activity also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications. By all means have your physician examine your kidneys at least twice a year.
