A very delightful afternoon was spent Monday by the members of the Research Club at the home of Mrs. John Tyndall, on Third street. Mrs. J. N. Fristoe gave an excellent discussion on the subject, "Stars." Miss Lillian Gay Berry, Latin instructor at Indiana University, who was here to speak to the Woman's Club last evening, was a special guest. Mrs. Dan Tyndall sang a group of songs with Mrs. Carrie Harbold at the piano. After the program the guests were invited to the dining room where delectable refreshments were served. Other guests besides the club members were, Mrs. L. W. Stoltz, of Dayton, Ohio, a former member of the club; Mrs. D. D. Heller, of this city; and Miss Gladys Graham, a teacher in the Anderson schools, who is spending the spring vacation here with her parents. The next meeting will be held at the home of Mrs. John Parrish and Mrs. Moses will read a paper on "Science Remaking the World."

Members of the Phi Delta Kappa fraternity, held a banquet and very interesting meeting in the club rooms last night. During the business session a committee was appointed to arrange for entertainment for the next meeting night. It is likely that there will be initiation at the next meeting also. A good attendance was present last night.

The Woman's Home Missionary Society of the Methodist church will meet at the home of Mrs. W. J. Bowen, 313 Madison street, at 2:30 o'clock Friday afternoon. Community schools and work will be the subject for the lesson. Every member is

urged to be present.

Miss Lillian Gay Berry, professor of Latin in Indiana University, who spoke at the meeting of the Woman's Club last night, was entertained at dinner yesterday evening at the F. V. Mills home on Mercer avenue. Other guests were Mrs. J. W. Tyndall and Mrs. J. R. Parrish.

The Historical Club will meet Wednesday afternoon at the home of Mrs. Harry Helm, on Third street. Mrs. Leota Beery will have the paper on "Christian Reformers."

All ladies on the gray side of the Christian Ladies' Aid Society are requested to meet at the home of Mrs. Minnie Daniels, Wednesday evening, and bring the money they have to be turned in on the contest.

During the business meeting of the Woman's Club at the Library last evening a committee, which includes Mrs. C. D. Teeple, Mrs. C. E. Bell and Mrs. Frank Downs, was appointed to confer with the other clubs, who are affiliated with the Federation, and decide whether or not it would be advisable to have an Easter program on the afternoon of Easter Sunday. Several articles such as towels and aprons were ordered from the Co-Operative Committee for the Blind. These sales each year are put on to market the needlework made by the blind women of this state. In purchasing these things club women are carrying out the aims of the state federation and helping and encouraging the blind women by a co-operative service. The club, as a whole, has taken over the maintenance of the public rest room, at the library, which has heretofore been kept up by the Civic department. After the business session the Literature department presented Miss Lillian Gay Berry, instructor of Latin at Indiana University, who lectured on "American Ideals." Miss Berry's talk was very influential and instructive and was

appreciated by the large number of club women who heard her. Mrs. Dan Tyndall sang "Come Out Mr. Sunshine," by Bliss; "A Little Prayer For Me," by Russell; and "The Lark Now Leaves His Watery Nest," by Parker. Mrs. Carrie Harbold accompanied her.

Hear Parker Miles—A Coit-Lyceum Headliner at the Auditorium this evening.

There will be work tonight, April 1, in the Fellow Craft degree at 7:30 o'clock. W. M.
