For the past several months she has been on duty at the Adams County Memorial hospital. Mr. Aurand is the eldest son of Mr. and Mrs. Frank Aurand, of South Eleventh street, and is a student at the International Business College at Fort Wayne. He is a member of the Masonic Lodge, the American Legion and Phi Delta Kappa fraternity. The young couple have a large circle of friends and are popular young people of this city. **Legionnaires Warned Against Bolshevism**

Indianapolis, April 3.—(Special to Daily Democrat)—A warning that bolshevism and radicalism are gaining strength in the United States through activity among "pacifist" organizations of women and children was sent today to all departments of the American Legion by Garland C. Powell, director of the Legion's Americanization commission.

The message warned legionnaires against a national anti-war campaign directed by the Women's Peace society and other organizations which, Powell said, is "finding fertile field among women and children," and sowing the seed for un-American propaganda.

**MY DREAM**

I dreamed a dream I must tell you about.—  
I thought I was sitting down in the easiest, fluffiest, over-stuffed chair  
With beautiful fixtures around; And the gentlest mortal in all the world  
Came in to visit with me, And told me stories more wonderful Than Anderson's ever could be.

He drew my head back, said, "Close your eyes And open your mouth," and I knew He'd give me something both sweet and good,—  
Just like little children do. What he pressed to my lips was soft and warm  
Then I heard a little bird sing The most tenderly soothing sound in the world, Except a hummingbird's wing.

Gently he held my head in his hand, Gently he pressed my cheek Gently he lifted me out of my chair, His strength made Atlas seem weak And then I awoke from my beautiful dream  
And what do you think was the truth? I was sitting there in the dentist's chair

And I was minus a tooth! —A. D. Burkett.

**CARD OF THANKS**

We desire to offer our sincere thanks to those who so kindly assisted us during the illness and death of our beloved husband and father. We are grateful for the beautiful floral offerings, to those who furnished automobiles and to all others who assisted us.
