Lesson for May 4

ASSYRIAN EXILE OF ISRAEL

LESSON TEXT—II Kings 17:1-18. GOLDEN TEXT—"I will delight myself in Thy statutes: I will not forget Thy word."—Ps. 119:16.
PRIMARY TOPIC—How a Little Girl Helped a Great Soldier.
JUNIOR TOPIC—Israel Driven Into Exile.
INTERMEDIATE AND SENIOR TOPIC—A Nation Punished for Its Sins.
YOUNG PEOPLE AND ADULT TOPIC—Lessons From Israel's Downfall.

I. Israel Taken Into Captivity (vv. 1-6).

This was in fulfillment of that which Amos had predicted in the days of Jeroboam II at a time when the nation was at the height of its prosperity. The northern kingdom was ruled by nineteen kings, all of whom were wicked. Their wickedness was not because of lack of information or opportunity but in spite of it. God promised the first king His blessing if he would be loyal to Him. Jeroboam departed from God and the apostasy thus begun continued downward to the end. In the reign of Hoshea, the last king, the king of Assyria came and besieged Samaria and carried the children of Israel captive to Assyria, from which they never returned.

II. The Sins Which Caused Their Doom (vv. 7-18).

1. Conformed to the Ways of the Heathen (vv. 7-9). God had commanded them not to follow in the ways of the heathen, but these Israelites, instead of maintaining lives of separation, secretly did that which was displeasing to God. Secret sins, as surely as open sins, bring ruin, for all things are naked and open to Him with whom we have to do. The One who visits judgment upon the sinner knows all things.

2. Serve Idols (vv. 10-17). They not only compromised by "walking in the statutes of the heathen," but worshiped their gods. It was a short step from following in the statutes of the heathen to worshiping their gods. Before they worshiped idols they cast off the true God. Indeed idolatry came into the world because the race did not wish to retain God in its affections (Romans 1:21-23). Idolatry did not come in through ignorance but through wilful perverseness. People today worshiping false gods have first cast off the authority of the living God. Man is a religious being. When he ceases to worship the true God he worships other gods.

3. They Were Rebellious (vv. 13-15). God by His prophets has said unto them, "Turn ye from your evil ways, and keep my commandments," but they stubbornly refused His testimony, even rejected His statutes. God in love tried to save them. He sent some of the noblest and best prophets who ever spoke to men to persuade them to turn from their sins, such as Elijah and Elisha, but they stiffened their necks and plunged deeper into wickedness. This they did in defiance of God.

4. Caused Their Sons and Daughters to Pass Through Fire (v. 17). This was the dreadful Molech worship, the most cruel rite of heathen worship. It was done by kindling a fire in a hollow metal image until its arms were red hot and placing live children therein to be burned to death. This was the depth to which the Israelites had sunk.

5. Resorted to Magical Practices (v. 17). When faith in the true God wanes men always turn to the magical arts. In this way the Israelites sold themselves to evil in the sight of the Lord and provoked Him to anger.

III. The Judgment Falls (v. 18).

At this stage of the drama the curtain dropped. God could not be inactive longer.
1. God Was Very Angry. His anger is not raving fury but the revulsion of His holy nature against sin. God cannot tolerate sin in His presence. His wrath must strike. Though He waits long, the debt must be paid and that always with compound interest. There is only one way to escape God's wrath: that is to turn from sin unto God through Jesus Christ.

2. Remove Them Out of His Sight. The land of Palestine is regarded as the land of God's sight—that is, the place of His manifested presence. These people are still scattered among the nations and as a political organization they will never return to their land. The judgment was severe, but not more so than the sins merited. God had waited long. The despoiling of His grace eventually works ruin. Therefore, what judgment must fall upon the people who in the light of this day reject His grace and His mercy.

Practical Christianity

"Go," never spells "Stay." We need more religion in the soul—as well as in the soul—a walking as well as a talking religion. The trouble is not so much with non-church-going masses, as the non-going church. We need not only a lookout committee but a "Go-out" committee.—H. G. Gibboud.

A Christian

A Christian is one who follows Christ, but is a leader of men.—Christian Herald.

Jacquard sweaters are very effective with short, pleated skirts of white flannel. Red and white with a red hat is a delightful combination for the young girl.

Tocsin High School Not Commissioned Yet

A telegram from the state board of education on the eve of the Osisan high school commencement in April, informed school officials that there Osisan school had been recommissioned this year, apparently on the strength of the showing of plans to build a new school, but it is understood that the state board did not make any mention of the Tocsin high school, and thus far it has not been commissioned. What action will be taken with reference to Tocsin remains to be seen. It is a school is not commissioned, it is stated by school authorities, it is necessary if students desire credit for their work to take the written state examination. This would apply to all classes and not the seniors alone.

Luther Institute To Erect New Building

Fort Wayne, May 3.—Construction of a new building for the Luther Institute costing approximately \$130,000 will be started within a month, north of St. Paul's Lutheran church, on Barr street, on the site now occupied by the residence of the Rev. Paul Miller, it was announced today by the Lutheran School association.
The structure will be erected to alleviate the growing needs of the institute, which at present, is conducted in connection with St. Paul's parochial school. The school, which offers a two-year high school course, specializing in commercial courses, has proven extremely popular with graduates of all the Lutheran parochial schools in the city.

MARKETS-STOCKS

Daily Report of Local and Foreign Markets

Opening Grain Review
Chicago, May 3.—Wheat and corn started lower on the board of trade today. Oats acting independently, showed fractional gains. Bear influences were leading factors in the wheat opening. Apprehension over possible action on the McNary-Naugen bill next week caused pit operators to move cautiously. None were willing to make extended commitments.
Corn was under the dominance of wheat influences. Despite a dock workers' strike in Argentina temporarily eliminating that country from foreign competition, prices showed underlying weakness.
Oats was higher with decreased stocks unfavorable weather for crop growth and some cash inquiry.
Steady undertone in provisions was attributed to strong hog markets and firm cables.
