D. H. S. IN TRACK MEET SATURDAY

Local Athletes Expect To Score Several Points In Sectional Meet

Coach Buck Howard will take a squad of nine track athletes to Fort Wayne Saturday to compete in the annual sectional track and field meet, to be held in the South Side high school stadium. The locals are expected to take several points in the meet, in spite of the fact that they were beaten by Fort Wayne Central in a dual meet last Saturday, 67 1-2 to 31 1-2.

"Bud" White is expected to take first in the shot put, if he comes up to his standard. Merryman, who was unable to take part in the meet with Central last Saturday, has a good chance of winning a first in the 100-yard dash, while Captain Farr should land a few points in the 220-yard dash. Castle, who was high-point man in the meet with Central, scoring 11 points, can be counted upon to win points in the sectional. He likely will take part in the pole vault, low hurdles and possibly the broad jump. Dorwin and Steele will do the high jumping and Steele will run the high hurdles. In the distance events, Holmes, Lightfoot and Hunt will perform for D. H. S. Holmes likely will enter the 440-yard dash, also.

There will be ten schools entered in the meet. Other schools from Adams county entered in the meet are Berne, with two men; Geneva, with five men; and Hartford township, with one man. Berne's entries are Habegger and Lehman. Lehman won the mile and half mile events in the county meet here and should place in the sectional. Geneva's entries are Charleston, Drew, Pyle, Renner and Van Skyock. Hartford township has entered Ray Thomas in the dashes. The other schools entered are Bluffton, Auburn, Garrett, Huntington, Columbia City and Fort Wayne Central.

The meet will start at 1 o'clock L. A. Schwan, physical director of the Fort Wayne Y. M. C. A. and Paul Hayward, his assistant, will be in charge of the meet. Winners of first and second places will go to Indianapolis to take part in the state meet on the following Saturday.

DECATUR GIRL IS MAKING GOOD

Miss Catherine Christen Assumes Fine Position In Toledo, Ohio

Miss Catherine M. Christen, daughter of County Superintendent and Mrs. E. S. Christen of this county, a product of the schools of Adams county and a graduate of Purdue University, has been selected county demonstration agent for Lucas county, Ohio, with headquarters at Toledo and assumed her duties there this week.

For two years past Miss Christen has served as assistant club leader of Hampden county, Springfield, Mass., where she made good and her application at Toledo, following the resignation of Miss Ann Biebricker, was promptly accepted. (She will work in harmony with the county farm agent.

Toledo newspapers carried pictures of Miss Christen and many feature stories. One of these by Fred W. Leu in the News-Bee, read as follows:

"Miss Catherine M. Christen comes from an illustrious family. She has one brother who is a druggist in Toledo and another who is secretary of the National Berkshire Breeders Association, at Springfield, Ill.

Back in the day when, dressed in pinafore, she exhibited the first indications of a natural bent for the culinary art, while permitting Old Sol to bring her pies to a mud brown. Efforts to find an agency of consumption resulted in the responsibility being imposed upon the hens and with their scratching and pecking powers developed to the steenth degree, she was content in her belief that the hens had eaten her mud pies.

This inclination developed with the years. The next step was a miniature pie crust, that an indulging mother made possible and following it, the pie later was permitted a little of the left-over filling, and of course with the coming of the teen age, mama made it possible to bake real-for-sure pies, and Catherine would not have changed places with the first lady of the land for the privilege of hearing her pies pronounced good by the different members of the family.

So it was that at the age when Catherine M. Christen, new Lucas county home demonstration agent, had been graduated from high school, she packed her trunk and with the

good wishes of Pa and Ma Christen, was off to Lafayette to attend Purdue University. Then there was a short period of teaching home economics at Magley (Ind.) high school, and later a period while acting as assistant country club leader of Hampden county, at Springfield, Mass.

Now, as the successor to Ann Biebricker, Miss Christen takes home demonstration work in Lucas county."

Mourns For Good Looks

(United Press Service)
Chicago, May, 8.—"If only I had good looks," Mrs. Elizabeth Unkafer, 46, little, wrinkled and colorless,

mourned today as she prepared to depart for the Joliet prison to serve a life sentence for murder.

"They never convict a good looking woman," she commented bitterly.

Mrs. Unkafer was convicted of first degree murder late yesterday for killing Sam Boltschoff. The woman pleaded temporary insanity, but the prosecutor held she killed Boltschoff because he was tired of her.

FIRE! FIRE! FIRE! The WHY

Of Giving Your Fire Call to the

CHIEF OPERATOR

The City of Decatur does not have a FIRE ALARM BOX SYSTEM and the most efficient way to notify the department of a fire is to report it to the CHIEF OPERATOR in the Telephone office.

She in turn immediately reports the call to the fire department and they can be on their way with the least amount of lost time. This method of reporting insures the quickest service possible in getting the information to the department and also to the Water Works plant where the blast signal is given.

We urge you to co-operate with us in this matter
