Market Page and Food Bargains

In selecting your grocery needs for the week-end give some thought to the proper appliance in which you prepare them.

Consider a gas range with an oven heat regulator, an equipment that will enable you to cook your dinners without any other attention after it is placed in the oven, makes for accuracy in baking bread, cakes and pies and simplifies your canning problems.

Think of the added appearance a new white enamel gas range will give to your kitchen.

It does not require a big outlay of money to get one of these ranges—just a small down payment and the balance in ten equal monthly payments with your gas bill.

Preaching at Mount Pleasant on morning of Sept. 21; at Beulah in the evening. Subjects: "Manna in the Wilderness" and "The Rock in the Desert."
The Philomath Bible class meets at the parsonage in Decatur on Wednesday evening, Sept. 24.

Prayer meeting at Beulah on Thursday evening.
LESTER L. C. WISNER, Pastor.

Calvary Evangelical Church

There will be the usual Sunday school and prayer meeting Sunday morning commencing at 9:30. In the evening there will be a union program of worship, Song and Recitations, given by the community churches, comprising the local church the Methodist and United Brethren churches of Bobo. This service will begin at 7:30.

Let the entire community worship at this service and together enjoy the inspiration of God's house. This service is a commendable move and should awaken a generous response in everyone's heart.

The Decatur Standard Community Training School will begin its fall term Monday evening. The school will hold its sessions at the Central School building and the sessions will begin at 7:15 standard time. This community is cordially invited to participate.

Next Tuesday evening the pastor will commence a two-week's revival meeting at the Calvary church. These services will begin at 7:45 sun. time. This is a period of the year when the roads are in fine condition, when the farmers are not desperately busy, and when nearly all can find it very easy to attend. Let the whole community back up these religious meetings which are for the betterment of the entire community; for the deepening and enriching the believer's experience and the winning of every man, woman and child to Jesus Christ. This is the biggest program any community can possibly have. Get back of it, boost it, help make it go. Christian, pray for these meetings.
R. W. Loose, pastor.

CHICAGO GRAIN REVIEW
(United Press Service)
Chicago, Sept. 19.—Trading in grain futures was irregular at the start of business on the Chicago board of trade today.

Foreign news decidedly bullish, held wheat relatively steady and offset unsettled trade sentiment in the local pit.

Unsettled weather with rains in some localities gave corn a strong undertone.

Steady hogs cables reflected a nominally unchanged provisions market.

The local market quotations remained the same today, no change in the prices being reported by the local dealers.
