With A Storeful of Locally and Nationally Known
SUITS -- OVERCOATS -- HATS -- UNDERWEAR and ACCESSORIES

Reduced To Prices That Should Crowd Main Street from Monroe to Madison

20 % -- 30 % -- 50 % OFF

on the type of wearing apparel that is seldom reduced ---- the sort of merchandise that is always wanted and welcome.

When this sale starts Friday morning, all of Decatur and Adams county is going to have its eyes opened. The men who come here on the opening day are going to see the opportunities and the men who stay away are going to hear of these unprecedented values on Saturday—from their neighbors. These are our own stocks—not one thread has been purchased for the Sale. These are our own ideas of severe reductions and we add also that we don't think fine goods have ever been cut so deeply.

It is our business policy to clear the decks in January. We won't carry an item or atom into another season. The special bargains this advertisement quotes are but a few of the opportunities—you can trust them here in print for they will prove themselves in person. Friday morning the Sale starts on its way—and for 10 days the battle will rage!
