AUCTION SCHOOL NEWS

—by—

"Bob" C. Smith

We, as students of the Reppert School of Auctioneering, are certainly indebted to the faculty of this worthy institution for giving us more than our money's worth in training, and inspiration received. We want to take this opportunity to thank the people of Decatur for their hospitality shown us while in your little city, which must say, is a credit to your community. We have enjoyed every day here and we will leave here (going to eleven states) as a walking, talking advertisement for the town of Decatur and the wonderful little school which is only in its infancy. Today is our last day here and we want to tell all of you good-bye.

NOTICE TO OUR GAS CUSTOMERS

Commencing with the January bills, we will for the convenience of our customers, deliver gas bills to your homes and places of business. This will mean more prompt service when you call at our office to pay your bill.

Always be sure to bring your gas bill with you; this is very important, for otherwise there will necessarily be some delay in our being able to wait on you.

If desired you can tear stub off bill and mail stub along with your check to this office.

If you do not receive your gas bill by January 28th please phone or communicate with the office and duplicate bill will be mailed.

The students have decided to have a banquet on Friday evening, January 16, at 7 p. m. Several talks will be made in connection with a little program.

Thursday evening closed the auction sales by the students, and we must say Decatur people surely patronized the sales. We made a "clean sweep" and sold out everything, just like clock work. When we were through the people did not want to leave because they were being so entertained and getting so many good bargains.

May Col. Reppert and all of the instructors accept our most hearty congratulations for their success and may the Reppert School of Auctioneering live forever, and remember the

Efficiency class of 1925 as a cornerstone in the building of this great institution.

Man Who Warned Pupils Of Prison Lands There

(UNITED PRESS SERVICE)
 Milford, Ind., Jan. 16.—"My dear teacher: You whipped me many years ago when you taught school at Milford and always told me I was headed for the penitentiary. You managed to beat me to it."

This is a sample of numerous letters being written to James T. Shephard, of Milford, serving sentence in the Indiana State prison on a charge of receiving deposits as cashier of the

Farmers State Bank, here, when he knew the bank to be insolvent. The shortage at the bank totaled \$225,000. The letters are from the cashier's former pupils and school boys and girls who joined hog clubs and lost their savings when the bank failed.

Revaluation Will Raise Values In Lake County

(UNITED PRESS SERVICE)
 Gary, Ind., Jan. 16.—Many officials and citizens here today expressed their opposition to the revaluation of real estate for taxable purposes this

year which has been ordered by the state tax board.

The revaluation would raise property values in Lake county from a total of \$350,000,000 to \$375,000,000 and consequently, the amount paid by the county in state taxes.

Mrs. Velma McGill went to Fort Wayne this morning to attend the funeral of Miss Norma Blecke, formerly of this city.
