KLAN MEETS DEFEAT IN LEGISLATURE

INSTITUTE AT BERNE DRAWS LARGE CROWD

Approximately 1,000 Present At Closing Session Last Night

OFFICERS ELECTED

Schools Hold Exhibit Of Work And Corn; Institute Next Year

OTHER INSTITUTES

Today—St. Marys township at Bobo.
Jan. 22—At Geneva.
Jan. 27—Hartford township at Linn Grove.
Jan. 28—Kirkland township at Kirkland school.
Feb. 4—Union township.
Feb. 5—Monroe township at Monroe.
Feb. 5—Monmouth.

The closing session of the farmers institute held at Berne yesterday brought a record breaking attendance to the Auditorium last evening when there were approximately one thousand people present, according to estimates of those who were present. A remarkable interest was shown throughout the day and that the affair was a complete success is evidenced by the fact that at the close of the day over one hundred members had been obtained, making the holding of another institute next year decidedly certain.

Although no open corn show was conducted this year, due to a poor corn crop, nine corn-club boys were present with ten-year samples of corn, five of them also showing a bushel of seed corn each in that class. In the 10-year class, Noah Schrock of Monroe township won first place; Herbert Hawkins of Washington township, second; Albert Davison of St. Mary's township, third; Walter Amstutz, of Jefferson township, fourth; Albert Steury, of Monroe township, fifth. It was the consensus of opinion of farmers who attend that the corn was excellent quality, considering the year. In the bushel contest, Herbert Hawkins won first, Albert Davison, second and Cecil Smiley, of Jefferson township, third. Both Hawkins and Davison attend the Pleasant Mills high school.

The school exhibits were the feature of the day. It was required that each school exhibit one 10-year sample of corn, one peck of wheat and one peck of oats, along with seven other articles which had been made in school. In this class, the A. C. Parochial School, of Monroe township, took first place with one of the finest exhibits of this nature ever seen, according to Mrs. Tuttle, of

Flood Waters Receding In Southern States Now

(UNITED PRESS SERVICE) Atlanta, Ga., Jan. 21—(Special to Daily Democrat)—Swollen tributaries were slowly receding in southern states today, in the wake of one of the most disastrous floods in the history of the south.

Property damage will total at least \$5,000,000, officials estimated, while the death toll stood at ten.

Train schedules were partly resumed, but dirt highways were still impassable in most of the flooded areas. Hundreds of tourists headed for southern winter resorts remained stranded at isolated points.

TOTAL OF RADIO FUND IS \$232,20

Fund For Supplying Sets To Blind Residents Grows Rapidly

The total of the fund being raised to purchase radio receiving sets for the blind residents of the city, went far over the \$200 mark this morning, when the result of Tuesday afternoon's canvas was announced. R. J. Harting and Charles Colter, who are doing the canvassing, reported that \$86.20 more had been raised, making the grand total, \$232.20.

The lodges and other organizations are rallying to the support of the movement and a few have turned in checks unsolicited. Other organizations are invited to contribute to the fund. Another blind resident of the city was located yesterday, making a total of seven residents of the city who are known to be blind. It is possible that there are more who will be located soon, and the fund must be increased greatly yet before it will be sufficient to supply each with a set.

A mistake was made in the report of new contributors yesterday. Joe Lose being credited with a donation of \$1 when it should have been \$2. The solicitors planned to resume their canvas in the business district this afternoon and the factories will be visited soon. Following are the new contributors:

Previous total	\$145.75
Charles Yager	1.00
Employees Post Office	5.25
Al Anker	1.00
Peoples Loan & Trust Co.	5.00
Lewis Cline	25
Dr. Earl Coverdale	2.00
Fred Schaefer	8.00

BIDS RECEIVED ON NEW BOILERS

Council Delays Letting Of Contract: Meets Again Friday Night

Bids for the furnishing of two new boilers, together with stokers, at the City Light and Power Plant were received by the city council in regular session last evening, but no award of contract will be made until Friday evening or Saturday morning, it was stated.

Proposals were received from three concerns for the furnishing of stokers and from four for the boilers. The concerns who submitted proposals on the stokers were the Illinois Stoker Co., the Westinghouse Electric Co., and the American Engineering Company. Each concern submitted bids for stokers which might be used on either four or five hundred horsepower boilers.

The concerns which submitted bids for the furnishing four or five hundred horsepower boilers were: Babcock and Wilcox; National Mill and Supply Co.; Union Iron Works and the Bass Foundry and Machine Company.

Prices for the stokers ranged from \$8,000 to \$12,500, while the prices on the two boilers ranged from \$20,000 to \$36,000. The different bids are being tabulated and the specifications examined by Supt. M. J. Mylott and members of the electric light committee of the city council.

Councilman George Krick presided in the mayor's chair, during the absence of Mayor Huber M. DeVoss, who is spending a month's vacation in Texas.

An executive session of the council was held following the regular meeting during which time the stokers and boilers were discussed by the councilmen and representatives of the different companies.

Another meeting of the council will be held Friday night at which time the final award of the contracts for the furnishing of the new boilers and stokers likely will be made. The boilers and new equipment will be paid for out of the earnings of the city plant for the last several years.

"FLYING COUP" NEXT

Cleveland, O., Jan. 21—(United Press)—A "flying coup" for sky touring will be the next family pleasure craft.

The first model of the "dirigible oliver" will be turned over this spring by the Goodyear Zeppelin corporation. P. W. Litchfield, vice president and general manager of the corporation, announced at the automobile show.

The "flying coupe" will be an airship 100 feet long and 30 feet in diameter. A 160 horsepower motor will drive the ship at a 50-miles an hour clip.

Only a few days instruction will be needed to learn to operate the craft, Litchfield said. The "coupe" will have an enclosed aluminum cabin with accommodation for three passengers, he said.

GARY WOMAN TO GIVE ADDRESS

Noted Club Woman To Speak At Meeting Of Woman's Club

Mrs. Frank Sheehan, of Gary, prominent in club circles, will speak at the regular meeting of the Decatur Woman's Club, to be held in the public library Monday evening at 8 o'clock. Mrs. Sheehan comes to Decatur under the auspices of the civic section of the local club, which will have charge of the program Monday evening.

Mrs. Sheehan is chairman of the department of applied education in the Indiana Federation of Clubs and is chairman of the natural scenery committee of the general federation of clubs. She likely will be the most favorable candidate for the office of president of the state federation at the next annual election. The subject of her talk here will be, "Woman the Builder of Man."

Other numbers on the program Monday evening will be a group of vocal solos by Mrs. Cecile Moser, of this city, and a group of piano solos by Mrs. Roger Swaim, of Bluffton.

The regular business meeting of the Woman's Club will be held at 7:45 o'clock and the civic section program will start at 8 o'clock.

WEST END WANTS POLICE OFFICER

West End Merchants And Citizens Petition Council For Officer

In view of the several robberies and other cases of lawlessness which have taken place in the west end of the city, proprietors of stores on West Monroe street and other citizens in that district, petitioned the city council last evening to appoint a policeman for that district or to have it patrolled by a regular officer at night.

The petition was signed by the Maier Hide and Fur Co.; George Appleman, Milt Hower, Simeon Haines, George Miller and other merchants who have stores in that district.

Recently, several robberies and holdups have taken place in the west end, namely at the Simeon Haines meat market, the Maier Hide and Fur company, Hower's grocery, the George Appleman restaurant, and a few residences.

The matter was referred to the board of safety and a decision in the matter will, no doubt, be made in the near future. About three years ago residents in that part of the city asked that a special policeman be appointed for the west end district, but the council deemed it not advisable to appoint one at that time.

Another meeting of the council will be held Friday night at which time the final award of the contracts for the furnishing of the new boilers and stokers likely will be made. The boilers and new equipment will be paid for out of the earnings of the city plant for the last several years.

TRANSFER PUPILS TO H. S. BUILDING

Thirty-Five Fifth And Sixth Grade Pupils Moved From Central

A special meeting of the school board was held last night at which time the crowded situation existing at the Central school building was taken up. There is an excess number of pupils in the fifth and sixth grades at the Central building and it was decided last night to equip room No. 201 in the high school building and transfer thirty-five fifth and sixth grade pupils there.

During the first semester of the present school year there were two teachers for the fifth grade and two for the sixth grade at the Central building, but it was impossible for the teachers to do justice to the pupils, owing to the large number. Herbert Foreman, one of the Central school teachers, will be transferred to the high school building to teach the thirty-five pupils transferred there, and Mrs. W. A. Lower substitute teacher, will teach at the Central building until a new teacher is secured. The thirty-five pupils to be transferred to the high school building will be taken from the southwest part of the city, they being the nearest to the high school building.

WILL MAP OUT FARM PROGRAM

Committee From Industrial Association To Meet Thursday Night

A meeting of the committee appointed by Avon Burk, president of the Decatur Industrial Association, to arrange plans for the junior farmers program to be sponsored by the association, will be held Thursday evening at 7:30, at the Industrial Association rooms, following the Rotary meeting.

Several men have been invited to attend the meeting. They will also be the guests of the Rotarians at their luncheon earlier in the evening.

Among those invited to the meeting from out-of-town are, James Briggs, of Geneva; Fred Studler, Linn Grove; J. D. Winteregg, Berne; J. P. Habegger, Berne; W. S. Smith, Monroe; John Hoffman, Preble; Clarence Smith, Preble; E. J. Fricke, local fieldman for the Holland-St. Louis Sugar company; E. S. Christen, county superintendent of schools, and L. M. Busche, county agent.

Plans for carrying out the proposed program in co-operation with County Agent L. M. Busche will be made. It was voted at the annual meeting of the Decatur Industrial Association held January 12, to raise a fund of \$1,000 or \$1,500 with which to sponsor junior farm clubs, such as corn club, a sugar beet club, a calf and dairy club and a livestock judging club in Adams County and to award substantial prizes to the winners.

The association also went on record as desirous of co-operating with County Agent Busche and to make it possible for him to carry out the club programs by giving him an assistant in the office.

County School Superintendent E. S. Christen will assist in the county program by giving it publicity in the schools.

The Berne Business Men's Association wishes to co-operate with the Decatur Industrial Association in carrying out the program and the banks located at Berne, Geneva, Monroe and Preble, are also interested.

Decatur Banks Named As City Depositories

HOODED ORDER IS DEALT CRUSHING BLOW BY ENEMIES

State Senate Votes Down Bill Sponsored By Klan, 41 To 6

HEATED ARGUMENTS

Bill To Prohibit Wearing Of Religious Emblems By Teachers Killed

Indianapolis, Jan. 21.—The Ku Klux Klan raised its head on the floor of the state senate today and was dealt a smashing blow by enemies of the hooded order.

After a lively debate in which all the heat of a religious argument was injected the senate by a vote of 41 to 6 killed the minority report of the committee on education recommending passage of a bill to prohibit the wearing of any religious emblem or garment in the public schools of Indiana.

The senate also postponed action until tomorrow on a minority report recommending passage of a bill to require the reading of the bible in the public schools.

Both measures were introduced in the senate by Senator Sims, of Terre Haute.

The name of the klan was first brought out in the debate by Senator Chamber, of New Castle, during argument on the bill prohibiting robes and emblems.

"This is one of the reputed Ku Klux Klan bills," Chamber declared.

"It seems that this is a much avoided topic of conversation among the senators.

"Let's come out in the open. Don't hide behind your robes in arguing this question.

Senator Sims explained the bill and said that in six counties of the state teachers in the public schools wear black robes and crucifixes while teaching school.

This was the spark that set off the fire works of religious debate.
