The Highest Award Given to **NEW HOLSUM**

When you insist on New HOLSUM, you know you are getting the highest quality bread to prove it! Because New HOLSUM has been awarded the beautiful Harry M. Freer silver trophy as first prize in an international quality contest conducted by the W. E. Long company, famous bread laboratory of Chicago.

Many of the largest independent bakeries in the United States and Canada put forth their best efforts to win this much coveted trophy but it has remained for New HOLSUM—with its extra long shape and better baked quality—to bring the cup to Fort Wayne and vicinity!

When you try a loaf of New HOLSUM, you, too, will realize why it won first place in such a spirited contest.

His Conscience **Troubled Him**

"I know I have done wrong, please forgive me for not doing my duty and writing you before. I am thankful to God and the good remedy He gave you, and would not take \$500 for the good the first dose gave me. I have been bothered for many years with gas in my stomach and indigestion, but since taking May's Wonderful Remedy two years ago, have had no such trouble." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. The Holt house Drug Co. and druggists everywhere.
