Cod Liver Oil in Sugar Coated Tablets For Puny Kids

Forget the nasty tasting, stomach upsetting cod liver oil and give the thin, puny, underdeveloped children McCoy's Cod Liver Oil Compound Tablets if you want to give them a good appetite and put pounds of good healthy flesh on their bones.

Doctors know all about them and so does The Holthouse Drug Co., and all good pharmacists all over America, for they are in great demand, because they are not laggards, but show results in a few days.

They are not expensive either—60 tablets—60 cents and children take them like candy.

A very sickly child, age 9, gained 12 pounds in seven months and is strong and healthy.

One skinny woman gained 9 pounds in 24 days.

"Be sure to get McCoy's, the original and genuine Cod Liver Oil Compound Tablet."

DRY LEADER SLAIN

S. GLENN YOUNG

Herrin, Ill.—S. Glenn Young, noted leader of the Ku Klux Klan dry raiders here, was killed during a gun battle on the local streets last Saturday night. Two other klansmen and a deputy sheriff were slain in the battle.

GIBSON SYMPHONY ORCHES-

TRA SAID TO BE ONE OF BEST

Critics and lovers of good music who have heard the Gibson-Plectrum Symphony Orchestra, which is to appear here at the high school auditorium on Thursday evening, February 19, in a varied program, state that the orchestra gives one of the best and most enjoyable programs that they have heard rendered in several seasons. The orchestra is composed of from twenty-five to thirty skilled musicians. The program is given a change by the appearance of the juvenile entertainers, the Barr sisters, daughters of Prof. Barr, leader of the orchestra, who give readings that charm the audience. For a closing number on the program, a band of twenty-five pieces fills the air with music. Tickets will be on sale in the near future and the public is cordially invited to attend.

Commends Senators For Withdrawing Bills

(UNITED PRESS SERVICE)
Indianapolis, Jan. 27.—Senators Fitch, of Maine, and Sims, of Terre Haute, received special praise from Lieutenant Governor Van Orman in Monday's session for their action in withdrawing two bills.

"Gentlemen, you are doing fine," the lieutenant governor said. "May the good work continue. All other senators should take notice."

Senator Fitch withdrew his bill which would permit the trustees of the Indiana state normal to borrow money from private sources to build dormitories and a nurses home.

The bill withdrawn by Senator Sims proposed civil service for public school teachers of Indiana.

Forgot Wedding Date: Married A Week Later

Boston, Jan. 27.—What Joseph Kanusky forgot to do last Sunday he did this Sunday.

It was a week ago that his bride, pretty Vera Naukon, expected to be married, but wasn't. Her parents' home was elaborately decorated for the wedding and the guests were assembled when it was discovered the bridegroom was missing.

"I thought it was to be next Sunday," Kanusky later explained.

He said it so sincerely that his fiancée believed him and consented to a delayed wedding.

And Sunday he was on time.

Winona Preparing For Great Bible Conference

Indications even at this early date are that the Thirty First Annual Winona Lake Bible Conference next August will gather one of the largest assemblies in its history. Many of the preachers and teachers have already been secured and these with others, who are confidently expected to accept the invitation which has been extended to them, will constitute an array of talent that cannot be excelled.

The dates of the Conference are Friday, August 14 to Sunday August 23, inclusive. Negotiations are in progress with several of the great preachers from abroad, but the talent from this country thus far secured is as follows:

Rev. Herbert W. Bieder, D. D. of Bala-Cynwyd, Pa.
Prof. A. T. Robertson, D. D. of Southern Baptist Theological Seminary.
Prof. Charles R. Erdman, D. D. of Princeton Theological Seminary.
Miss Grace Saxe, Bible Teacher, Denver, Colorado.
Prof. George L. Robinson, D. D. of McCormick Theological Seminary.
Rev. C. H. Wollsten, D. D. of Philadelphia, Pa.
Pres. John E. Kuizenga, D. D. of Holland, Michigan.
Peter MacFarland, of Minneapolis.

Among the Evangelists are Lyon, Van Bruch and Stewart; while among the Mission men are Soerheire, Beckert, Clark, Dibble, Blackmore, and George Trotter. Among those invited but who have as yet not given definite assurance of their attendance are Hon. William Jennings Bryan, Dr. George W. Truett, Dr. L. W. Munhall, Dr. O. Ingvaldsstad.

One of the special and most important features of the program will be the Conference on Missions, a couple of hours each day being devoted to the history of Missions and the needs of the field. Prominent missionaries home on furlough will speak and the Stereopticon and Moving Picture will add interest to this aspect of the work. All missionaries home on furlough are urged to attend, and special arrangements for entertainment may be made by writing the Director of Conference, Rev. W. C. Biederwolf, Winona Lake, Indiana.

Winona, the park and the lake, furnishes a recreational retreat unsurpassed, and this in the midst of the spiritual and educational atmosphere makes the place one of the rarest spots in the entire country for a Bible Conference.
