Court House

Kukulhan Will Probated
The last will and testament of William Kukulhan, late of Root township, was probated in court here yesterday afternoon. Provisions of the will are: that \$1,200 be given to each of two daughters, Minnie Molthan and Louise Fuelling; that \$1,200 be given jointly to the three children of another daughter, Emma Franz; that \$700 be given to a daughter, Sophia Fuelling; that the real estate be left to the widow and son, Frederick; that the undivided one-fourth of fourteen shares of stock in the Wayne Knitting Mills be given to the three daughters and the children of the deceased daughter; that the undivided one-fourth of twenty and one-half acres of land in Root township be given to each of the three daughters and the children of the deceased daughter. The son, Frederick, was appointed executor.

ENRAGED SOW INJURES BOY

Jefferson Township Lad Seriously Bitten; Dog Frightens Pigs

Dale, the small son of Charley Morningstar of Jefferson township had a very narrow escape from death last Sunday afternoon when he was attacked and bitten in his abdomen by a sow. The boy is said to have been injured at the Dan Baker home where the Morningstar children had gone to play and spend the afternoon. The Morningstar and Baker children, during their playing in the afternoon, entered the barnyard where there was a number of hogs among which was a sow with a litter of pigs. A dog followed them and as he ran across the barn lot, frightening and causing the little pigs to squeal, the sow that is mothering the pigs became enraged at the dog and instead of taking after him, she directed her attack on the Morningstar lad. The boy was knocked down into the mud and with her tusk the furious sow plowed through the flesh of the lower part of his abdomen and inflicted a gash between four and five inches in length. The animal was clubbed off in her attack or the boy in all probability would have been torn to death on the spot. The wound was inflicted on the prefrontal fascia muscle, which is below the abdominal cavity. Had the tusk ripped the flesh open a little higher the internal would have been mangled probably causing death. The intestines, however, were not touched. Ten stitches were needed to sew it shut. The boy who is about nine or ten years old is getting along quite well and is not considered to be in a serious condition.

Peru—While workmen were dumping the fire from a locomotive at the Washburn shops here, the engine started suddenly, plunged off the turntable, and landed on its nose at the bottom of a six-foot pit. The men jumped to safety.

Dr. Torrey Is Holding Great Revival At Berne

Berne, Jan. 29.—The annual Union meetings that are being held in Berne under the masterful leadership of Dr. E. A. Torrey of California have turned into genuine revival meetings. The first response to Dr. Torrey's invitations was received on Monday evening when seven persons found their way to complete victory of their souls. Tuesday evening was the greatest meeting yet. After Dr. Torrey had preached a great sermon on "Why Tarriest Thou?" Acts 2: 16, he opened the invitation purely as a matter of choice to the individuals. At first there were the few who slowly wended their way to the front to confess their faith in Christ. The tide increased and gradually the entire audience began to move to let those pass by who were making their way to the front. There were a few more than a hundred persons who went forward to make a public confession of their faith. It was surely a touching and joyful sight to behold.

Painful Rheumatic Swellings Disappear

Discoverer Tells Druggist Not to Take a Cent of Anyone's Money Unless Allenru Completely Banishes All Rheumatic Pains and Twinges.

James H. Allen, of 26 Forbes St., Rochester, N. Y., suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body. With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system. He freely gave his discovery, which he called ALLENRU, to others who took it, with what might be called marvelous success. After years of arguing he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed Holthouse Drug Co., and druggists everywhere to dispense ALLENRU with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment.

TIME FOR MARL

Now is the time to put marl on your land, grass, clover, wheat, rye, or any and all growing crops. Good for lawns. Sold 4 barrels to Henry C. Paul, the best banker in Fort Wayne, and 2 bags of marl with special phosphorus deposit out of Tippecanoe river. I now own and control 4 large marl mines. Winona lake 90 feet deep, none better. Calcium tested by U. S. Government Agricultural department. Also Carr's lake where I have 20 acres, 40 feet deep and 60 acres under mine's lease; 190 acres near Milford, test 98% calcium. Plant life extraordinary. Guaranteed by men under state and government analysis. Soon ready to ship at low prices. All fertilizer. No chemicals needed.

units and co-operating civic bodies and the Bar Association hopes to raise \$11,505 for the local awards. Any bona fide high school pupil or pupil of any secondary school under nineteen years of age on February 1, 1925, is eligible for entrance in the contest. This includes girls as well as boys and applies to public, private and parochial schools alike.

The orations must be original, must not require more than ten minutes for delivery and must be on any one of the following subjects: "The Constitution," "Washington and the Constitution," "Hamilton and the Constitution," "Jefferson and the Constitution," "Marshall and the Constitution," "Madison and the Constitution," "Lincoln and the Constitution." Miss Grace Axtell, manager of the Indianapolis News Oratorical Contest last year, will be in charge of the contest in Indiana, with headquarters on the seventh floor of The News building, in Indianapolis, where contest literature and information are available. For purposes of the contest Indiana has been divided into six territories composed of adjacent counties. Contest will take place in each of these territories following elimination contests by schools, county seats and congressional districts. From today until March 27 pupils in the schools will write their orations and through elimination contests the school orators will be selected. All school orators must be determined by March 27.

From March 30 to April 3 the orators from schools in each county will compete at their respective county seats to determine the county representatives. In each county the local units of the Bar Association are planning to give an award of \$50 for first place and awards of \$25 for second, \$15 for third and \$10 for fourth. From April 6 to 19 a contest will take place at a center in each congressional district to determine the congressional district representatives. In each of the thirteen congressional districts the winners will

The orations must be original, must not require more than ten minutes for delivery and must be on any one of the following subjects: "The Constitution," "Washington and the Constitution," "Hamilton and the Constitution," "Jefferson and the Constitution," "Marshall and the Constitution," "Madison and the Constitution," "Lincoln and the Constitution." Miss Grace Axtell, manager of the Indianapolis News Oratorical Contest last year, will be in charge of the contest in Indiana, with headquarters on the seventh floor of The News building, in Indianapolis, where contest literature and information are available. For purposes of the contest Indiana has been divided into six territories composed of adjacent counties. Contest will take place in each of these territories following elimination contests by schools, county seats and congressional districts. From today until March 27 pupils in the schools will write their orations and through elimination contests the school orators will be selected. All school orators must be determined by March 27.
