Field Goals

Last night was a big night for the Decatur Yellow Jackets. Too bad the Decatur school girls and the G. E. girls did not get defeated.

Twelve straight for Catholic High still a straight line.

There should be no doubt about which team has won the right to represent Indiana in the National Catholic high school tournament at Chicago next spring. Decatur Catholic has licked the leading Catholic teams in the state and has not tasted of defeat yet.

Greenburg and Harrold, the two Muncie Bears on the Muncie Merchants team, put that old into final minutes of the game last night that made them famous in high school. They started a rally for their team, too, which brought them victory, but Armstrong and Gale, the G. E. sharpshooters blasted their hopes.

Another perfectly good unbroken string of victories has been broken at last. Martinsville turned back Shortridge of Indianapolis last night, after the capital city lads had won twelve straight.

We got a big rise on of Tip Offs, the Bluffton News, when we claim the intercity high school championship for the Yellow Jackets. He vainly objects to have the title recorded. In his wrath he even goes so far as to say that it was an accident that the Yellow Jackets defeated the Bluffton Tigers at Bluffton during the Christmas vacation. He also is laboring under the false impression that the two teams will meet again this year. There is no contest on the schedule between the two quintets, Tippy, so if you would have your Tigers meet the Yellow Jackets again this year, you better send them to the regional or state meet. You lost a golden opportunity on December 26, old man. Out of Bounds evidently admits the superiority of the Yellow Jackets as he is mum on the subject.

Van Wert here tonight. Let's keep up the winning pace, Yellow Jackets.

Gibault of Vincennes plays Catholic High here Monday night. Let's win that thirteenth fracas, gang. Go away, hoodoo.

And the Leaders and Berne mix it up here Tuesday night.

Albany Independents Team Meets Berne A. C. Tonight

TWO GAMES HERE WEDNESDAY NIGHT

Kirkland Elfs Play Andrews; Two Teams Of Farmers Meet

The Kirkland Elfs, speedy independent net team from Kirkland township, will play the Kithen Maid factory team from Andrews, Indiana at the old high school gymnasium on North First street next Wednesday night. Another big attraction at the old gym that night will be a game between the Kirkland township farmers and the Washington township farmers. The farmers' game will be played first, starting at 7:30 o'clock, and the other contest will start at 8:30.

The Elfs have dropped two hard fought contests to the Kithen Maid team this season, one by a five-point margin and the other by twelve points. The Kithen Maids defeated the fast Warren Rexalls recently. The Elfs' lineup will be strengthened for the game by the addition of Crist, Andrews and Oliver, of the Decatur Leaders.

The Washington township farmers issued a challenge to the Kirkland farmers for a game after the latter had defeated the Decatur Merchants in a contest played here recently. The Washington farmers have been practicing hard and feel confident of conquering the Kirkland men. The Kirkland lineup will be practically the same as the one that defeated the merchants.

G. E. DEFEATS MUNCIE QUINTET

Locals Win Fast Game, 37 To 30; G. E. Girls Lose To Auburn

The General Electric basketball team, with a lineup of caging stars on the floor, downed the Muncie Merchants at the high school gym in a well played game last night, score 37-30. The first half was all Decatur, the G. E. leading 22-11 at the rest period, but the visitors tightened up in the second period and made things interesting. They almost tied the score near the close of the game, but Armstrong and Gale hit the basket for field goals and put the locals out in front.

In the preliminary game the Auburn Y. W. C. A. girls defeated the General Electric girls, 28 to 9. The visitors displayed splendid teamwork and passing. The Auburn team is considered one of the strongest girls' teams in the state.

In the big game, the electricians got away to a big lead at the start when Gale sank four field goals in quick succession, while the visitors counted one. Armstrong began hitting the net then and the locals led 22-9 just before the half ended, and then the visitors counted again, making the score 22-11 at the half. The locals held this advantage until about the middle of the second half when the visitors started a rally. They brought the score up to 29-27, Decatur leading. Armstrong then caged two baskets and Oliver and Gale sank one each. Armstrong and Gale led the Decatur offense with eight and seven field goals respectively. Oliver counted three times from the field. Crist and Clark did good guarding. Thornburg and Harrold played best for the visitors.

Lineups and summary: G. E. (37) Muncie (30) Oliver, G. Thornburg, Armstrong, F. Gibson, Gale, C. White, Clark, G. Harrold, Crist, G. Jackson. Substitutions: Barkman for Gibson. Field goals: Oliver, 3; Armstrong, 8; Gale, 7; Thornburg, 4; Gibson, 1; Harrold, 4; Jackson, 1. Free throws: Gale, 1; Thornburg, 4; Harrold, 3; Jackson, 3. Referee: Yager.

Bluffton Phi Delt's Lose To Michigan Five

Hillsdale, Mich., Jan. 30. — The Hillsdale Bear Cats defeated the Bluffton Phi Delt's here last night, 39 to 17. Gil Ely, former Michigan all-conference star, led the Hillsdale attack with six baskets. Reece following with five. Meyer and Cummins starred for Bluffton.

YELLOW JACKETS BEAT BERNE, 24-16

Many Fouls Called On Both Teams; D. H. S. Girls Lose, 26-16

Decatur high school's Yellow Jackets defeated the Berne high school cagers, winners of the Adams county tournament, at Berne last night by a score of 24 to 16. The game was featured by the large number of personal fouls called on both teams by the referee. The Decatur girls were defeated by the Berne Jassies in the preliminary game by a score of 26 to 16.

Coach Kennedy started Captain Miller and Dierkes at guard, Andrews at center, and Swearingin and Leonard at forward last night. Miller was ejected from the game via the four personal foul route before the first half was over, and Andrews was sent to the showers by the same route several minutes before the game ended, leaving an entire team of second string players on the floor for Decatur.

The first half ended 13-11 in favor of Decatur. The scrappy second stringers put up a great fight last night and won a deserved victory. The Berne team played a good game and was never far behind the leaders. The fans and spectators thought the referee called the plays too closely, but he was fair to both teams. The ability of the Yellow Jackets to score on free throws, after they had been fouled while attempting to shoot field goals, enabled them to win.

The Yellow Jackets will play Van Wert high school at the local high school gym tonight. A preliminary game will start at 7 o'clock and the big game about 8.

It was impossible to find the Decatur score book today so the lineup and summary of the game was unavailable.

CATHOLIC HIGH BEATS CATHEDRAL

Local Cagers Win Twelfth Straight Game At Indianapolis, 22-20

Catholic high school's green clad basketballers took a motor trip to Indianapolis yesterday afternoon and last night administered a 22-20 defeat to the Cathedral high school tossers, the second time this season that the Decatur lads have won from the capital city boys. Incidentally, the victory was the twelfth straight win of the season for Catholic high and the wearers of the green have yet to taste of defeat.

The referee called seventeen personal fouls on the Decatur cagers and four of them were put out of the game on personal fouls in the last half, but Coach Conter's substitutes carried the battle on in great style and pulled out winners. The Cathedral team scored ten points on free throws. Decatur scored eight field goals to five for Cathedral.

The first half ended with Cathedral leading by one point, 13-12. Three personal fouls each had been called on Holthouse, Meyers, Christen and Gass during the opening session and soon after the second period started those four began leaving the game one by one, with four personal fouls charged against them. Mylott, Laurent, Schulte and Art Voglewede were rushed into the battle to substitute for the regulars and they continued the fight. Captain Bud Voglewede went through the entire game without having a personal foul called on him.

Meyers was high point man of the game with three field goals and four free throws, a total of ten points, to his credit. Costello led the attack for the Cathedral team, scoring three times from the field and three times from the foul line.

This was one of the hardest games of the season for Catholic high and the coach and players were showered with praise when they returned from Indianapolis at noon today. The locals will play Gibault high school of Vincennes here Monday night and will attempt to get by the unlucky thirteenth game without having their winning streak broken.

Fifteenth Anniversary Week Celebration of the Boy Scouts of America, Most Notable Event

Week of February 8th, an Epoch in the History of Scouting in this Country, with 21,977 Troops with a Membership of 700,000 Participating in Nation-Wide Observance

THE Boy Scouts of America was founded on February 8, 1910. Its primary purpose was and is, "to foster the character-building and citizenship training of all boys, regardless of race, nationality or creed." To-day, after fourteen years the organization is composed of 536 Councils in all states of the union, with 21,977 Troops, having a membership of approximately 700,000.

Observance Nation-Wide
Anniversary week always is a gala time in Scouting. The observances are nation-wide. Rallies, hikes, patriotic pilgrimages, Father and Son banquets, services in churches and schools—these are only a few of the events that make every recurring anniversary week a delight to every American youth, be he a Scout or not.

On these annual observances, on February 8th, the Scouts renew their oath to do their duty to God and country, to obey the Scout Law, to help others at all times,

and to keep themselves physically strong, mentally awake and morally upright. The slogan of the 1925 celebration, "Once a Scout, Always a Scout," has served to rally under the same banner the 2,000,000 former active members who have outgrown their boyhood, but whose sympathies are and always will be with the Boy Scouts of America.

Co-operation is General
In all sections of the country, the churches, schools, patriotic societies and individuals have contributed their best efforts in making the fifteenth anniversary celebration a highly memorable event. About 53 per cent of the 21,977 Troops are sponsored by the Churches of America. Every denomination is represented in the membership. During anniversary week many of the schools are turned over to the Boy Scouts for their various activities, the teachers serving as scout leaders. The Scouts themselves render highly efficient traffic and patrol service and do much

to relieve congestion and render the streets and crossings safe for women and children.

Great Progress Last Year

The record of the National Scout office show that last year was one of outstanding progress. In 1924, the Lone Scouts were merged with the Boy Scouts, thereby increasing the membership of the latter organization to the extent of 45,000. To the Scouting curriculum which now numbers seventy vocational subjects, foundry practice, the study of insect life and the making of textiles, were added. Sea-scouting gained great impetus. It features seagoing, and has a membership of 1,240, with seventy ships. Plans for a national sea-scouting training center are progressing favorably. Boy Scout scholarships are now being offered in six colleges and universities.

Big Fund for Enrolling Boys

The National Council, alive to the importance of Scout training for the 8,000,000 boys not yet en-

rolled in the organization, has started a \$10,000,000 fund for the purpose stated, with highly gratifying results. A unique award known as the "Achievement Badge," for boys who are physically handicapped, though mentally progressive, was recently authorized. More than 1,000 medals for life-saving and certificates of heroism, have been awarded to Boy Scouts to date.

The parents of boys throughout the country, who appreciate the value of Scout training, never fail to co-operate with the youths on the occasions of the anniversary observance. Scout Mother Auxiliaries and Father and Son hikes and banquets are the occasions for festive gatherings. Thousands of troops render programs of imposing proportions and never was the spirit more general to make the 1925 celebration, the banner event in the annals of the organization. That their efforts found the heartiest response among all classes, the evidence unquestionably proves.
