Clifford-Graham

One of the prettiest home weddings of the season was solemnized today at high noon when Miss Gretchen Graham, popular young lady of this city, became the bride of Meritt S. Clifford, of Martins Ferry, Ohio. The marriage grew out of a college romance which began two years ago while they were attending Ohio Wesleyan University at Delaware, Ohio. The living room was made very pretty for the ceremony, with baskets of roses and foliage. The Rev. U. S. A. Bridge, pastor of the Methodist church, read the beautiful and impressive ceremony at twelve o'clock in the presence of the immediate family and a few invited guests. Immediately after the ceremony a luncheon was served. The wedding cake was used as the centerpiece and roses and greenery were also a note of decorations. For the ceremony the bride wore a tan flat crepe frock made straight line and heavily beaded. She wore tan foot wear and carried an arm bouquet of bride's roses. Mrs. Clifford is a daughter of Mr. and Mrs. L. A. Graham of this city, and a graduate of the local high school. She attended Ohio Wesleyan University at Delaware, Ohio, for two years. Mr. Clifford is an instructor of English in the high school at Martins Ferry, Ohio. He received his education at the We-

lington, Ohio, high school, and was graduated from Ohio Wesleyan University last spring. He is a member of the Delta Alpha Pi fraternity. The young couple left this afternoon for Columbus, Ohio, where they will spend several days and from there will go to Martins Ferry where they will reside. The out-of-town guests were Gladys Graham, sister of the bride, of Anderson; Mrs. W. H. Graham, Mrs. Blanche Graham and Paul Graham, of Monroe.

BICKNELL MEN GET SENTENCES

Mayor Imprisoned For Two Years And Fined \$1,500; Others Sentenced

Indianapolis, March 31—Sentences ranging from five months imprisonment and \$100 fine to two years imprisonment and \$1,500 fine were imposed in Federal court today by Judge Baltzell, on the Bicknell booze case. Defendants were charged with conspiracy to violate Federal prohibition laws.
Mayor William Callahan, who according to testimony received \$4 a gallon for all liquor sold by the Moose and Eagle lodges in Bicknell drew the heaviest fine. Callahan was given two years imprisonment and fined \$1,500. He served notice of appeal and his bond was placed at \$7,500.
Otis Turley, chief of police at Bicknell, was sentenced to 15 months imprisonment and fined \$500. Turley said that he would not appeal. The other men sentenced were members of Moose and Eagle lodges.
William Chapman, Fort Wayne, was sentenced to one year and one day and fined \$500 after confessing to the sale of intoxicating liquor. Clark Behler, Fort Wayne, received six months and \$500 fine on a similar charge. Both men plan to appeal their cases.

Long Police Record Of Chapman's Pal Is Cited

Hartford, Conn., March 31—(Special to Daily Democrat)—Defense in the trial of Gerald Chapman today will seek to discredit the testimony of Walter Shean by focusing the jury's attention on the long police record of the bandit's pal.
Court will open with the cross-examination of the state's star witness, who late yesterday testified that it was Chapman who fired the shot that killed Policeman James J. Skelly of New Britain.
While the master bandit faced his accuser with blazing eyes, Springfield's "bad boy" hesitantly related the dramatic tale that led to the patrolman's death and worked up to a smashing climax by putting full blame on his erstwhile friend.
Previously three other men identified Chapman as a man they saw near the scene of the crime.

Standard Oil Company To Purchase More Interests

New York, March 31—(Special to Daily Democrat)—Negotiations which have been going forward some time for the purchase of controlling interest in the Pan American Petroleum and Transport company by the Standard Oil company of Indiana and its associates are expected to be closed not later than tomorrow. The basis of transfer of the majority stock from E. L. Doheny's great property to the Standard is not revealed. Quotations on the stocks of both companies rained fractionally higher at the opening today.

"The Order generally is in a flourishing condition. The lodges all over the state are busy with initiations, degree feasts and social sessions, and it is to be hoped that the general public will be sufficiently interest-
