Daily Report Of Local And Foreign Markets

OPENING GRAIN REVIEW

Chicago, June 4—Profit-taking caused easier prices in wheat at the opening of the Chicago board of trade today. Coarse grains, acting independently, bade fractional gains.

Lower Liverpool cables and better crop outlook, created the selling pressure in wheat. Scattered showers brought additional moisture to the spring wheat country. Complaints of hot dry weather come from sections of the southwest.

The first weekly crop surveys to come into the pit this morning were decidedly bullish on corn. Commission houses were principal buyers basing their action on these reveals.

Oats followed corn. Trade was small and local in character. Steady provisions reflected firm hogs and cables.

Files Petition To Sell Tocsin Bank Property

The Old Adams County Bank, of this city, has filed a petition, through their attorneys, in the Wells Circuit court for permission to sell some property in Wells county belonging to the Bank of Tocsin, for which the local bank is receiver.

The Tocsin bank closed its doors several days ago and the Decatur bank was appointed temporary receiver and later permanent receiver. The land to be sold, if the petition passes, includes 40 acres in Jefferson township, Wells county, and the quarter lot on which the present Bank of Tocsin building is standing. It has not yet been determined whether an assessment will have to be made on stockholders, but it is thought that the bank has more collectable paper and notes than was first believed.

CHAPMAN GETS A REPRIEVE TODAY

Date Of Execution Postponed Until Dec. 3; Await Action On Appeal

Hartford, Conn., June 4.—(United Press)—Gerald P. Chapman, "bandit prince," under sentence to die June 25 for the murder of a policeman, today was reprieved until Dec. 3.

The reprieve was issued by Governor Trumbull of Connecticut, on application of State's Attorney Hugh M. Alcorn, who prosecuted Chapman.

Alcorn pointed out to the governor that the case now is on appeal and that it will be impossible for the courts to pass on the appeal before he date set for Chapman's execution.

Recently a statement was given out by police officials to the effect that one of the witnesses admitted he had withheld information at Chapman's trial which was important to the alibi defense of the bandit. It was not known whether this played any part in the granting of the reprieve.

Chapman now is in Wetherfield state prison here. He was alleged to have killed James Skelly, a New Britain, Conn., policeman.
