JUDGING IN CALF CLUB IS HELD AT BERNE

(Continued from page one)

other places in the county cooperating.

The boys and girls have been showing great interest in the club work and more than 200 enrolled last spring in the three different clubs, the corn club being the largest. Certain rules and regulations, as adopted by the state club organizations, are being carried out in connection with the local clubs. During the latter part of the month a big meeting will be held in Decatur, at which time all the members of the different clubs will be invited to attend and the winners in the calf club will be asked to bring their winning calves to the county seat for display. Final awards will be made at the meeting in Decatur.

Hold-up Frustrated By Bank President

Danville, Ind., Oct. 3.—(United Press.)—A daring attempt to hold-up the Danville State bank by a lone bandit was frustrated today by the bank president, Oliver M. Piersol.

The bandit entered the bank during the night and hid until Raymond Percy, assistant cashier, appeared at 8 a. m. Thrusting a gun in Percy's face, the bandit handcuffed him and forced him to lie on his face in a rear room.

Fifteen minutes later, H. M. Powell, cashier, was given the same treatment. Shortly thereafter, President Piersol, arriving, was ordered to open the vault.

In his eagerness to open a drawer in the bank, the bandit slackened his guard on Piersol, who drew his own revolver. The bandit fled. He was dressed in blue denim and disguised with a handkerchief over his face.

Athletes Make High Academic Grades At I. U.

Bloomington, Ind., Oct. 3.—(United Press.)—Theory that college athletes neglect their academic work for their physical education was given a rap here today in a survey of the Indiana university athletes as compared with other students.

Scholarship of 300 athletes at the university was equal to that of other students, according to grades on file in the dean's office. In fact it is better in some cases and is steadily improving.

The "C plus" grade of the Indiana university athletes is shown to be developing into a "B minus."

Three of the athletes last year were top grade men in their academic work.

The Fourth Down BY WILLIE PUNT

The Nebraska Cornhuskers cut off a slice of Granger Twist in the Illinois Stadium today. At present, we don't know whether they bit off more than they could chew or not.

Another problem at the present writing is, can the Yellow Jackets sting sufficiently hard to put the Central Tigers to rout?

The Indianapolis high schools made it two victories out of three starts yesterday, Sohtridge downing Kirklint, 26-0, and Technical swamping Jeff of Lafayette, 57-0, but Manual found the hills at Wabash to steep and the Wabash Hillclimbers won, 14-7.

Anderson took another slap in the face, Hartford City winning 21-7. Anderson might well adopt the old Purdue slogan, "Wait until we play you in basketball."

From indications this morning, fans who attend football games this afternoon run the risk of getting more than

their spirits dampened.

George Purcell, who is a ring-leader among basketball columnists, found it difficult to keep quiet so he has started a football column in his Vincennes newspaper, calling it "Fifth Down and Not Much To Do." He will find out he has plenty to do if he tries to keep his column going until the basketball season is under way.

Guess we'd better get off the air so you fans can tune in on the football results.

HIGH SCHOOL FOOTBALL
Sohtridge (Indianapolis), 26; Kirklint, 0.
Wabash, 14; Manual, 7.
Technical (Indianapolis), 57; Jefferson (Lafayette), 0.
Brazil, 20; Crawfordsville, 13.
Hartford City, 21; Anderson, 7.
Defiance, Ohio, 39; Hicksville, Ohio, 0.

Play Finals In Women's Golf Tournament Today

St. Louis Country Club, Clayton, Mo., Oct. 3.—Mrs. Alexa Stirling Fraser of Ottawa, Ont., and Miss Glennia Collett of Providence, will fight it out today for the women's

national amateur golf championship. Both have previously held the title. Mrs. Fraser reached the finals after one of the hardest matches she has encountered when Miss Louise Fordyce of Youngstown forced her to go 19 holes to win one up. Almost equally thrilling was the semi-final match which Miss Collett won from Miss Edith Cummins of Chicago, one up. Miss Collett was forced to play a perfect shot to win on the 18th, and coolly putted perfectly and halved the hole, giving her the match.
