A full attendance is urged. The community is cordially invited to worship and study the Bible with us. Everybody should worship. Be sure to go regularly to one of our country churches. We all need the instruction and inspiration of the church. Eternity is a long time. The time here to get ready is short. Better get busy, for "what shall it profit a man to gain the whole world and lose his own soul?"

If not, then the money you should be saving is slipping out of your hands and into the bank account of someone else. The bank will eventually get your money, so why not have it in your own name?
