### "Haymaker" Fad Strikes Leesburg High School

Leesburg, Ind., Oct. 9.—Instructors of the local high school are worried over the headway made by the "haymaker" fad which struck the school recently.

### New Auto Is Designed To Run By Pressure

Lansing, Oct. 9.—(United Press)—Inventors are seeking a factory site here for building an automobile of revolutionary design operated by oil pressure.

Gears, driving shafts and brakes are to be replaced by oil pipes. A gaso-

line motor operates the system, creating oil pressure which is used to run independent driving motors on each of the rear wheels.

Necessity for brakes is eliminated by mechanism to reverse the direction of flow of the oil pressure.

The inventors claim the machine is practical and can be operated with greater efficiency than the ordinary type of motor vehicle.

Announcement of the proposed factory was made by the Lansing Chambers of Commerce. Details of the organization have not been learned.

### Hog Cholera Checked

### RECORD RECEIPTS

Last year's world's series between the Washington Senators and the New York Giants was noteworthy in that it drew more than a million dollars for the second successive year. The total receipts established a new record of \$1,093,104 against \$1,063,815 for 1923. This was surprising in as much as the huge Yankee Stadium was not available for use and unusual also considering that the attendance was less than in 1923.

The seven games last year drew 283,665 spectators and the six games in 1923 drew the record attendance of 391,439.

The winning share of each Washington player was \$5,959.64 and the share of each Giant player was \$3,820.29.

The Brooklyn Robins and the New York Yankees drew \$49,663.88 for finishing second in the pennant races and the Detroit Tigers and the Pittsburgh Pirates drew \$33,109.25 for finishing in third position.

### Damon Divorce Loses To Dan Cupid In Wayne Co.

Richmond, Ind., Oct. 9.—Dan Cupid has no reason to fear the assaults of Damon Divorce in Wayne county according to statistics made public today.

During the last three months there have been 167 marriages in the county and only 35 divorces, County Clerk Hunt announced.

### Wants Absent Voters' Ballots Recognized

Connersville, Ind., Oct. 9.—(United Press).—A mandamus suit to force City Clerk Dentlinger to recognize absent voters' ballots was on file in circuit court here today.

The action was brought by the republican committee which charges Dentlinger refused to accept the ballot of a girl who is a student at a West Virginia college.

### Good Dispositions Invaluable

You can't watch your disposition too carefully. A crab and a grouch are rarely successful. If your liver and stomach are in an unhealthy condition you can not have a sunny disposition because they affect the brain as well as the entire system. May's Wonderful Remedy has been usually successful in such cases. Our advice to everyone troubled in this way, especially when accompanied with bloating in the stomach, is to try this remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.

### Crimson Backfield Looks Good To Coach

Bloomington, Ind., Oct. 9.—Coach Navy Bill Ingram, of Indiana University, is breathing a little easier since he saw his backfield work against State Normal last week.

The head coach now hopes to develop a crew scoring combination before the all-important clash with Syracuse on Oct. 17.

Against Normal, Stamate, of Warsaw proved a whiz at running the ends; Courin, of Indianapolis, ran through the broken field like a rabbit; Ray, Terre Haute, flyers and McConnell, of Evansville, tore things up in general while Marks, Wabash, and Salmi, Gary, veterans, performed in old time form, and Prucha, of Chicago, contributed to the general good work by ripping off a 40-yard dash.

Syracuse will come here with a powerful team, the Easterners having defeated Hobart in the opening game of the season 30 to 9 and last week ran over Vermont to the tune of 26 to 0.

### "FORD OF THE AIR"

Detroit, Mich., Oct. 9.—(United Press).—The "Ford of the air" will be propelled by an air-cooled, eight cylinder motor of 200 horsepower, now nearing completion at the Ford laboratories, Henry Ford declared in an interview published here today.

Eventual development of aviation, Ford feels, will do for the world what the automobile has done for America.

"We'll put all people into the air whenever they want to fly," he is quoted as saying.

### Bone Dry Law Has Little Effect In Gary

Gary, Ind., Oct. 9.—(United Press).—The "bone dry" law designed to "put teeth" in the prohibition act has little effect here, it was revealed today.

Police reports for September show that 173 persons were arrested for intoxication; 59 for bootlegging and 17 for driving automobiles while intoxicated.

A total of 557 persons were arrested during the month representing crimes and 24 nationalities.

### Stork Beats Grim Reaper

Muncie, Ind., Oct. 9.—The stork was an easy winner over the Grim Reaper in this county during the month of September figures announced by the city health department today showed.

There were 72 births and only 28 deaths during the month.

### Ready Market For Mint

Plymouth, Ind., Oct. 9.—The day of the mint julep is gone but Claude Beagles, a farmer residing near here still finds a ready market for his mint. Six acres planted in mint produced 100 pounds of mint oil which was sold for \$1,541.25.
