

WASHINGTON WINS THIRD GAME, 4-3

COLD WAVE IS GENERAL OVER MIDDLE WEST

Eleven States Experience Coldest October 10 In Nineteen Years

WARMER WEATHER EXPECTED SUNDAY

(United Press Service)
Chicago, Oct. 10.—Many parts of the midwest today experienced the coldest October 10 in 19 years. Sleet, snow and rain, riding a cold, raw gale from the northwest, were general in eleven midwestern states, yesterday and during the night.

Today's forecast indicated temperatures would rise sufficiently by afternoon to thaw out numerous football fields, which were reported crusted with frozen mud at dawn.

Below Freezing In Chicago
Following almost 24 hours of rain, sleet and snow in Chicago, the temperature this morning had fallen to 30 degrees.

The cold wave in many sections followed an unseasonable warm spell in which fruit trees and shrubs began budding for the second time. Heavy frosts nipped these signs of a second summer but did little or no damage to basic crops.

Rains Cause Damage

The rains that have been general in the corn and wheat belts during the last three days have done more damage than the cold, farmers said. The abundance of moisture has made the soil too damp for the seeding of winter wheat. Unless the rains let up there is a possibility that many farmers will not be able to plant their seed wheat early enough to give it a good start before freezing temperatures are here to stay.

Madison, Wis., reported a lot of 27 degrees; Des Moines, Ia., had 28 degrees; St. Paul, Minn., 33; Springfield and Indianapolis, 31.

By dawn today the long arm of winter that came down out of the north had reached the Atlantic seaboard, reports from New York said. The city was spanked by a near blizzard as its thousands of workers struggled to work in heavy overcoats.

Pittsburgh, Albany and Boston experienced snow flurries. The temperature dropped 24 degrees during the night at Philadelphia.

PREPARING FOR CITY ELECTION

Absent Voters May Apply For Ballots Now; Printing Starts Next Week

Applications for absent voter's ballots for the city election can be made now, Mrs. Catherine Kauffman, city clerk, stated today. Those desiring an absent voter's ballot should file their application with the city clerk in the city hall.

According to law, the absent voter's ballots can be mailed after October 19, and all ballots must be returned not later than the afternoon of the election. So far, no applications for ballots have been made.

Beginning Saturday, October 24, and continuing for one week or until October 31, those voters who will be out of the city on election day can vote an absent voter's ballot at the city clerk's office. The voter must appear in person, make out the application and then cast his or her ballot. The printing of the ballots will start sometime the last of next week. In the city election four years ago, more than 2,500 ballots were cast for mayor and, complying with the law, approximately 3,700 ballots will be printed this year.

The original ballots will be printed on white paper and will contain both party tickets. Voters who are entitled to a vote in the city election, but who, on account of illness, will not be able to go to the polls, are urged to take advantage of the absent voter's law and make application now, so that the ballots can be mailed to them.

Comer Taken To State Reformatory At Pendleton

Roy Comer, formerly of Roanoke, is now of the state reformatory at Pendleton, where he has been taken for safe keeping, pending his arraignment at Kokomo in the circuit court in January, on a charge of cashing a worthless money order. This action was taken on representation of the prosecuting attorney that Comer is an habitual criminal, that he has been confined twice in the state reformatory and once served a sentence in the federal prison at Atlanta, Ga., and that he has been tried recently at Van Wert, Ohio, for the robbing of Mr. and Mrs. John Harmon, aged people, but obtained an acquittal.

SHRUBBERY IS BEING PLANTED

Work Started On Beautification Of County Court House Lawn

Work started yesterday on the beautifying of the court house lawn. The shrubbery for around the edge of the lawn is being planted today and that for the foundation was set Friday. The beautifying was made possible by the recent gift of the Rev. Leonard Luckey, formerly of this city.

When completed the court house lawn will be one of the most beautiful in the state. The plans call for more than \$200 worth of material for the beautification. Several men have been employed to work on the lawn and it is expected that the entire project will be completed soon.

Decatur Men Return From World's Series

Raymond Harting, Hubert Schmitt, Norbert Holthouse and William Simpson returned last night from Pittsburgh, where they attended the two opening games of the world's series between Washington Senators and Pittsburgh Pirates. The four men are divided in opinion as to the outcome of the series and seeing the two games failed to convert any of them from their previous belief.

However, all four admit that Pittsburgh has not been hitting as good as they should. The party stopped off at Bellvue, Ohio, where they were entertained by Elmo Smith, formerly of this city. They drove to the games arriving at Pittsburgh last Tuesday night.

Passenger Train Plunges Into River; 15 Are Drowned

Catanzaro, Italy, Oct. 10.—(United Press.)—A passenger train today plunged over a bridge into the wild current of the swollen Pona river after flood waters had scattered the bridge supports. The disaster occurred on the Catanzaro-Reggio line between the Badolaw and Santa Catarina stations.

One of the cars, filled with passengers, was driven a half kilometer in the direction of the sea by the raging river.

A complete check-up of casualties has not been made, but apparently 15 are dead and ten injured, some severely.

Future Conventions Of Legion Will Be Tamer

Omaha Neb., Oct. 10.—(United Press.)—Future national conventions of the American Legion are to be tamer, officers and delegates of the organization declared as they left Omaha today for their homes after a strenuous five-day session here.

Conventions hereafter will be limited to three days and will consist almost entirely of business sessions, under resolutions adopted here.

BULLETIN

Decatur high school's Yellow Jackets were defeated in a football game with the Portland high school eleven at Portland this afternoon, 6-0. Portland scored a touchdown in the second quarter.

MISSIONARY MEETING ENDS

Successful District Convention Held At Evangelical Church Here

The annual convention of the Fort Wayne district of the Women's Missionary Society of the Evangelical church, held at the Evangelical church in this city Thursday and Friday, came to a close with an interesting session last night. The convention was successful from every standpoint. Approximately 100 persons from other churches in the district attended the sessions.

The election of officers was held yesterday. Mrs. D. O. Wise, of Celina, Ohio, was elected secretary of Woman's Work, and Mrs. Henry Adler, of Decatur, was chosen secretary of Young Peoples Work. Mrs. Wise succeeds Mrs. C. E. Hocker, of this city.

The annual convention will be held in the Crescent Avenue church, Fort Wayne, next year. The exact date has not been selected, but it likely will be held during the middle or latter part of October.

Mrs. C. B. Mass, of Elkhart, state president of the Evangelical Women's Missionary Society, and the Rev. S. Berger, of Fort Wayne, presiding Elder of the district, attended the convention and gave talks. The Rev. William Kensing, a missionary of Belgian Congo, was the principal speaker at the convention. The Rev. D. O. Wise, of Celina, Ohio, and the Rev. J. H. Arndt, of Berne, also attended the convention.

The Fort Wayne district comprises fourteen charges. It extends as far east as Dayton, Ohio, as far north as Kendallville, as far south in Indiana as Portland, and west to Huntington.

Crown Point Man Is Sentenced To Death

Crown Point, Ind., Oct. 10.—(United Press.)—Peter Jankowski today faced death in the electric chair for the murder of Andy Hirtz, Indiana Harbor war veteran.

The jury returned a verdict recommending the death penalty fifteen minutes after it received the case. Jack Watson, held with Jankowski for the murder, was sentenced to life imprisonment.

Watson entered a plea of guilty and was a state witness against Jankowski.

UNION LABOR PLANS BOYCOTT

Federation Of Labor Announces Campaign Against Non-union Products

Atlantic City, N. J., Oct. 10.—(United Press.)—A nation-wide boycott on non-union products to eliminate child labor and obtain better working conditions will be launched by the American Federation of Labor, according to a decision of the federation in convention here.

Behind the boycott would be the purchasing power of the four million members of the organization estimated at \$8,000,000,000.

The assistance of women will be sought in making the boycott effective.

Speakers at the convention today believed that this boycott, kept up for one year, would tend to drive out of business all who persist in employment of child labor and otherwise violating union requirements.

A moving lobby, going from one state to another, to secure legislation favorable to labor, was also discussed.

Mrs. Acker Buys Grocery From Husband's Estate

Mrs. Maude Acker, widow of Albert A. Acker, who died recently, has purchased the Acker grocery on North Second street from the estate and will reopen the store next Monday. The Acker grocery is located at the junction of Second and Fifth streets.

Sen. Capper Predicts Tax Reduction in Next Congress

Chicago, Oct. 10.—(United Press.)—Tax reductions may be expected next congress, Senator Arthur Capper of Kansas believes.

In an address to the Illinois chamber of commerce late yesterday, Senator Capper declared that the next congress would cut federal expenditures \$250,000,000. He predicted that the maximum surtax would be reduced from 40 to 25 per cent, that the normal tax would be cut to four per cent, with exemption for incomes under \$4,000.

All nuisance taxes probably will be wiped off the books and an effort will be made to do away with tax exempt securities, he said.

SUGAR FACTORY TO OPEN SOON

Field Men To Meet Here Wednesday; Plant Opens Between Oct. 15-20

A meeting of the fieldmen of the Holland-St. Louis Sugar company will be held in this city next Wednesday, at which time matters pertaining to the opening of the 1925 campaign will be discussed. The fourteen fieldmen will attend the meeting and an all-day session will be held.

In all probability, the lifting of the sugar beets will commence about the middle of next week. The opening of the big mill in this city has been delayed, due to the fact that the management was waiting on cooler weather. It takes several frosts to put the beets in good condition and farmers and beet growers have been wishing for cold and clear nights.

The beets are in good condition, it is said, and the prospects are bright for a good yield. The mill will open sometime between the fifteenth and twentieth of the month, the exact date being undecided. John Carmody, manager of the plant, stated today.

More than 10,000 acres of beets were under cultivation this year and, in all probability, the tonnage will be large.

MRS. LANSLOWNE DIES

Mother Of The Late Zachary Lansdowne, Commander Of Shenandoah, Expires At Greenville, O.

Greenville, O., Oct. 10.—Mrs. Elizabeth Lansdowne, mother of the late Zachary Lansdowne, commander of the ill-fated Shenandoah, died at her home here today. She was 75 years old. Mrs. Lansdowne was stricken when notified of the death of her son whose funeral she was unable to attend.

Motion Asks Dismissal Of Rockefeller Suit

Indianapolis, Ind., Oct. 10.—A motion asking dismissal of the suit of Harold McCormick to prevent his former wife from obtaining control of \$7,500,000 of the trust fund established by her father, John D. Rockefeller, was filed in federal court here today.

The motion was filed by attorneys for Mrs. Edith Rockefeller McCormick and the Equitable Trust company of New York.

The action here today followed the decision of the New York appellate division of the supreme court yesterday that the McCormick suit must be tried in that state.

Blast Wrecks Mill

(UNITED PRESS SERVICE)

Bedford, O., Oct. 10.—An explosion wrecked the corning mill of the Austin Mill works of Falls Junction, near here, today.

Surrounding communities, including Twinsburg, were rocked by the blast. The plant manufactures blasting powder and other explosives for government and private use. One man was perhaps fatally hurt.

Cause of the explosion has not been determined.

Weather

Fair tonight with frost; not quite so cold in west and south portions; Sunday increasing cloudiness and warmer.

LOCAL FACTORIES RUNNING STRONG

City Power Plant Sets New Record For Amount Of Current Made In Day

Proof that the industries and manufacturing plants in Decatur are enjoying a healthy growth in business is evidenced by the amount of electric power being used by them.

Last Tuesday, more electric power was generated at the city plant than in any one day in the history of the plant. On this day, 19,720 kilowatts of power were generated. This is unusual for this time of the year, as the highest peak reached last year was 17,020.

The General Electric plant in this city is the largest user of power, and on last Tuesday, when the 19,720 K. W. were manufactured, this company used 9,260 K. W. or nearly half of the total manufactured.

A steady growth has been enjoyed by the city plant within the last four years. On December 20, 1920, the peak load for that year was 7,490 K. W., as compared with the 19,720 K. W. this year, an increase of more than two and one-half times.

M. J. Mylott, superintendent of the city plant, stated that the manufacturing plants in this city were now consuming more than two-thirds of the total power manufactured and that he expected a heavier load at the plant during the months of December and January.

Bishop Brown Carries Fight To Federal Court

New Orleans, La., Oct. 19.—(United Press.)—Bishop William Montgomery Brown today carried into the federal court his fight against exclusion from the Protestant Episcopal church for heretical teachings.

He applied for an injunction restraining the house of bishops from deposing him as a prelate of the church. He had been summoned to appear at St. Paul's church Monday for sentence.

Federal Judge Louis H. Burns set Wednesday morning as the date for hearing on Brown's application. As Brown is to be sentenced Monday, the injunction hearing probably will have no effect on the plans of the house of bishops to eject him from his seat.

BANKERS HOLD COUNTY MEETING

Young Men From Various Banks Have Charge Of Program Last Night

About twenty-five Adams county bankers gathered at the Catholic school auditorium last night at the regular monthly meeting of the Adams County Bankers' Association. The young men of the various banks had charge of the program, which was greatly enjoyed by all those attending.

The American Institute of Banking school which will open in this city in about two weeks, was discussed and all bankers and employees in the county were invited to attend the school this year. It is expected that a record enrollment will be made this year. Several interesting courses have been planned, including commercial law. The law course will be open to all interested persons in the county who can qualify for the course.

A location for the school has not yet been announced, but it is probable that the meetings will be held in the new Catholic school building. Last year, the classes were held in the Catholic school. Great interest has been shown among the bankers toward the banking school and it is expected that most of them will enroll in some of the courses.

The next meeting of the county organization will be held next month at Geneva. The exact date has not been arranged. All of the Decatur banks and most of the banks in other towns of the county were represented at the meeting last night.

SENATORS TAKE LEAD IN WORLD'S BASEBALL SERIES

WORLD'S CHAMPS COME FROM BEHIND IN SIXTH AND SEVENTH INNINGS—MARBERRY RELIEVES FURGESON ON THE MOUND FOR SENATORS—GOSLIN GETS A HOME RUN.

Innings	1	2	3	4	5	6	7	8	9	R	H	E
Pirates	0	1	0	1	0	1	0	0	0	3	8	3
Senators	0	0	1	0	0	1	0	2	x	4	10	1

(United Press Service)
Griffith's Stadium, Washington, Oct. 10.—The Washington Senators won the third game of the world's series from Pittsburgh today, 4-3.

It was a game filled with dramatic incidents, amazing situations, extraordinary playing—as wonderful and weird a world's series contest as will ever be seen.

Bucky Harris' strategy in switching the lineup at the critical moment in the seventh inning was responsible for the Senator's victory. Washington came from behind in this session, scored two runs and then held the Pirates safe.

Alex Fergusson was taken out in the seventh to enable Leibold to bat and McNeely to run, and the switch appeared to be just right when "Frop" Marberry started mowing down the Pirates.

The fighting Buccaneers started hitting in the ninth and filled the bases, but failed to score.

The official figures total attendance 36,495. Total receipts \$145,507.43. Commission's share \$21,913.95. Time of game 2 hours and 19 minutes.

BATTING ORDER

First Inning.
Pittsburgh—Moore walked. Carey was hit by pitched ball. Cuyler fled to Goslin. Barnhart hit into a double play. Peck to S. Harris to Judge. No hits, no runs, no errors.

Washington—Rice out. Traynor to Grantham. S. Harris fled to Carey in deep center. Goslin fanned and went to second on an error. Arguments followed. Goslin returned to first. Judge popped to Grantham. No runs, no hits, one error.

Second Inning.
Pittsburgh—Traynor hit to Harris and went to third when the ball went past Harris. Wright fled to Goslin. Traynor scored after catch. Grantham popped to Peck. Smith popped to Peck. One run, one hit, no errors.

Washington—J. Harris fanned. Meyer out. Moore to Grantham. Peck was safe when Carey dropped an easy fly and went to second before Carey recovered ball. Ruel walked. Fergusson fanned. No runs, no hits, one error.

Third Inning.
Kremer out on strikes. Moore fouled to Ruel. Carey out. Ruel to Judge. No runs, no hits, no errors.

Washington—Rice singled past right. Harris sacrificed. Rice stopped at second. Goslin fled to Cuyler and Rice went to third after catch. Judge hit down the right field foul line for a double, scoring Rice. J. Harris was safe on a low throw to first, but Judge was thrown out trying for the plate. Grantham to Smith. Error for Wright. One run, two hits, one error.

Fourth Inning.
Pittsburgh—Cuyler doubled to left center. Barnhart singled past Myers. Cuyler scoring and Barnhart reaching second on the throw in. Traynor walked. Wright out. Grantham popped to Judge near the plate. Smith was passed, filling bases. Kremer fanned. One run, two hits,

LOT SALE IS OPENED TODAY

Building Sites In Hanna Addition Being Offered In Special Sale

The C. S. Kitch Company this morning opened a "day and night sale" of lots in the Hanna addition, in the northwest part of the city. Headquarters have been opened in the building formerly occupied by the Old Adams County Bank, corner of Second and Monroe streets, and a force of men are at work on the job of showing the lots. The grounds have been staked, the streets are marked, the lots cleaned to look their best and much interest is being shown.

A feature is the fact that the grounds are lighted up so that they can be seen at night as well as in day time. All who call at the downtown office receive a free ticket and are told if they call at the tent on the addition they will be given another. One of the best lots in the addition will be given away. The lots are offered at very low prices and on reasonable terms, payable by the month and without interest or taxes until 1927. Judging from the way the sale started today, the lots will be disposed of in a few days. It is the hope of the owners that, in disposing of the lots at a figure considerably below cost, some building will be stimulated.

Banks Will Observe Discovery Day Monday

The three banks in this city will be closed all day next Monday, October 12, in observance of Discovery Day.
