### Muncie To Indianapolis Pavement Now Being Used

Indianapolis, Oct. 16.—(Special)—Traffic is now using new pavement all the way between Indianapolis and Muncie excepting a mile gap between McCordsville and Fortville, and around a bridge at Ingalls where the detour is over old No. 11, it was announced today by John D. Williams, director, in the state highway com-

mission's traffic bulletin. Mr. Williams also called attention to rapid progress being made in paving sections of state road No. 19 and that nine miles of new pavement was opened in the last few days on No. 25 between Elkhart and Middlebury. Several run-arounds in force at various points along the state system due to culvert repair and construction, have been removed, the bulletin said.

Prayer meeting at Pleasant Mills, Thursday, 7:00.

This Sunday is Sunday School Convention Day. The Blue Creek township convention will be held at Union afternoon and evening and the St. Marys township convention will be held at the Methodist church in Bobo, afternoon and evening.

Let us make room for God in our busy lives. With out God we come

to a miserable failure at the end of time. Let not the world deceive you. Some things are more important than others. You don't need the church any more than the flowers need the sunshine. Our lives will enthrone or entomb our Christ. The oath of glory leads beyond the grave. He who does not honor God with his substance does not honor him with his soul.

### Not The Governor

Al Smith was painfully injured last Wednesday when the thumb on his right hand was struck by the fan on his Ford. Mr. Smith was working the primer wire while the motor was running when the fan struck him across the top of the thumb, splitting flesh, nail and bone wide open to the first joint. The injury is healing very nicely, however, and it was not found necessary to amputate the digit.—Geneva Herald.
