COLUMBIA CITY DEFEATS D. H. S.

Yellow Jackets Lose Another Hard-fought Game Saturday, Score 7-6

Forward passes and long runs featured the football game on Ahl's Field here Saturday afternoon, in which the Decatur high school Yellow Jackets were defeated by the Columbia City gridders by a score of 7-6. Both teams used the forward pass freely and both were successful in making long gains in that style of play. Long gains were made on intercepted passes, also.

The Yellow Jackets scored a touchdown in the second quarter, giving them a 6-0 lead, and it looked as though they were off to a victory at the end of the first half, as they were completely outplaying their opponents. The ball had been in the enemy's territory practically all of the opening half.

Visitors Score on Pass
In the second period, the visitors opened up a forward pass attack that baffled the Yellow Jackets for a while and the fleet-footed Oman grabbed a pass on his own 45-yard line and raced the other 55 yards to the goal for a touchdown. He then added the margin of victory by booting a place kick over the goal posts for one point.

The Yellow Jackets had two or three chances to win the game after the Columbia City touchdown was scored, but failed to push it over. The ball was lost on the 5-yard line once in the last quarter. A fumble on the third down lost a few yards and on the fourth down, Acker failed by an inch to make first down on the 5-yard line.

Decatur Scores First
Decatur's touchdown came early in the second quarter, when Meyers, the fighting Yellow Jacket tackle, tore through the line and blocked a Columbia City punt on the 20-yard line. Meyers recovered the ball after he blocked the kick. After a few line bucks, Acker carried the ball over for a touchdown, but the try point after the touchdown, failed.

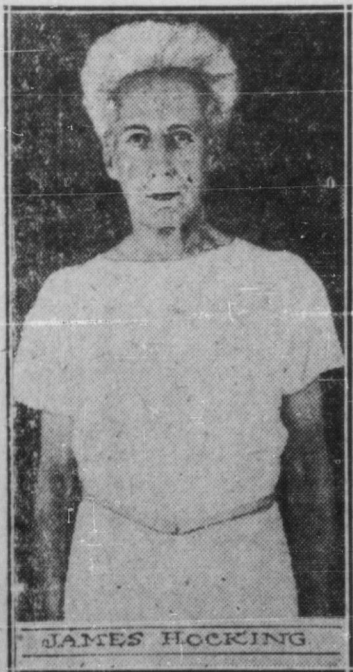

Decatur made eleven fire downs while Columbia City made only three. The visitors failed to make a first down during the first half. Decatur was penalized 15 yards and the visitors were penalized five yards. Decatur completed six passes while the visitors were successful with three passes. Decatur intercepted three passes and the visitors caught one of Decatur's passes.

Dierkes Makes Long Run
Dierkes, Yellow Jacket guard, intercepted a Columbia City pass and ran it back 50 yards, being downed on the visitors' 20-yard line. The ball was advanced to the 8-yard line, where it was lost on downs. Dierkes also caught a Decatur pass after it had been fumbled by another player and ran it back 20 yards.

Acker, Reynolds and Captain Bebout worked well in the backfield, while Meyers, Dierkes and Strickler did fine work in the line.

NEW STARS SHOW UP IN BIG TEN

Red Grange Being Crowded For Honors; Saturday's Games True To Form

By Edward C. Derr
(U. P. Staff Correspondent)
Chicago, Oct. 19.—(United Press)—Red Grange is being crowded for individual honors in the Big Ten football conference. This fact more than any other was demonstrated in Saturday's games in the midwest.

Grange has lost little, if any, of his brilliance. His brilliant 80-yard run to a touchdown on the first play of Saturday's game between Illinois and Iowa showed that he is still fast and a serious threat once he gets in the open field.

Iowa Has Star
But Grange is surrounded by a mediocre team that gives his few opportunities to show his brilliance and the fact remains that Red was overshadowed by Iowa's "Flying Dutchman," Nick Kutsch, who scored all of his team's 12 points to defeat the Illini, 12 to 10.

Kutsch is playing his first year of conference football and probably will give further demonstrations of power with ripening experience.

Friedman Goes Big
Another star that threatens to push Grange out of the limelight is Benny Friedman, Michigan's great back, who took the heart out of Wisconsin in the first ten minutes of play Saturday. Benny hurled a long pass that brought the Wolverines their first touchdown and then received the next kick-off and ran for the goal. From that moment Wisconsin was a beaten team. The final score was 21 to 0.

As for championship hopes, Saturday's games ran about true to form. Some critics, of course, had expected Illinois to be in the race, but those who had seen Iowa play before and knew of the weak support Grange had, anticipated an Iowa victory.

Coach Fielding Yost, Michigan's veteran coach, showed he has lost none of his cunning. The team that beat Indiana, 63 to 0, and Wisconsin 21 to 0, is going a long way toward the title. The Wolverines should have little trouble in beating Illinois next week.

Chicago's Maroons stayed in the running, despite the fact that they have not yet crossed the Big Ten goal line this season. Bob Curley booted two field goals for a 6 to 0 victory over Northwestern. The Maroons showed no variety of attack and will have to do better if they hope to beat Penn or win another conference title.

Indiana showed some improvement by holding Syracuse to a 14 to 0 score. The Hoosiers had been expected to suffer a more crushing defeat. Ohio State gave a good exhibition in defeating the powerful Columbia team, 9 to 0. Minnesota rolled over Wabash, 32 to 6, and Purdue beat Rose Poly, 44 to 0. These two teams have yet to meet a conference opponent.

Baker To Be Out Of Purple Lineup Two Weeks

Evanston, Ill., Oct. 19.—(United Press.)—Ralph "Moon" Baker, half-back, will be out of Northwestern university's lineup for two weeks with a torn ligament in his ankle. Baker was kept out of the North Dakota game by the injury and a fierce tackle in the Chicago game last Saturday undid the benefits of a rest.

SEVEN TEAMS OUT IN FRONT

Notre Dame And Yale, 1924 Champions, Defeated In Saturday's Games

By Henry L. Farrell
(U. P. Staff Correspondent)
New York, Oct. 19.—(United Press)—Pennsylvania, Army, Michigan, Dartmouth, Alabama and Georgia Tech rank as the leading football teams of the country with one-half of the 1925 season behind.

They remained undefeated by escaping the hectic week-end that brought about the defeat of the 1924 champions, Yale and Notre Dame, and another downfall for Red Grange's Illinois team.

In handing Yale the first defeat in two seasons, Pennsylvania was particularly impressive and Penn also showed one of the real star backs of the season in Al Krense, a plunging fullback of the old school.

Cadets Look Strong.
The West Point cadets looked like the strongest team in the east in beating Notre Dame, 27 to 0, the largest score that was ever made against a Rockne-coached team.

Dartmouth remains undefeated with a fine looking squad, but the eleven will not be tested until Saturday when it meets Harvard.

Although Ohio State has engaged in a tie game, Charley Crowley, whose Columbia eleven was defeated by the Ohio team, came back with the word that the Columbus team is a powerful one and that it could do well against any team in the east.

Michigan Has A Star
He also said that Benny Friedman, the Michigan star, was one of the greatest backs in the game.

Among the leaders who crashed Saturday was Drake, Missouri valley conference leaders, which fell before Oklahoma, and Southern California, which was dropped by Stanford.

California, Southern California and Stanford have each lost a game but California and Stanford were beaten by the Olympic club of San Francisco, a team consisting of former college stars.

Eddie Tryon, the veteran Colgate star, and Nick Kutsch, the Iowa back, are leading their sections in point scoring.

Kutsch leads the Western conference with 49 points from six touchdowns, three field goals and four points after touchdown. Friedman, Michigan, is second with 35 points and Costerbean, Michigan, is third with 30 points.

JACKSON QUIET ON APPOINTMENT

Governor Refuses To Intimate Who He Will Appoint U. S. Senator

Indianapolis, Oct. 19.—(United Press)—Governor Jackson remained tight lipped today while political circles buzzed with speculation as to the man he will name to fill the seat in the senate left vacant by the death of Samuel M. Ralston.

The governor was confined to his home with a bad cold and probably will be unable to attend the centennial celebration at Marion during the day.

Republican leaders who conferred with the governor said he had reached no decision on the appointment, but retained an open mind.

First objective of various candidates for the appointment is to induce Jackson to forego any plans he may have of resigning and having Lieut. Gov. Van Orman name him senator.

Strong pressure is being brought on the governor to prevent this move. At the same time, thousands of friends of Van Orman who would like to see the Evansville man succeed to the governor's chair are urging that Jackson go to the senate.

The chances of Albert J. Beveridge, former U. S. senator, who lost to Ralston in the campaign of 1922, of suc-

ceeding to Ralston's toga are considered by politicians to be on the downgrade.

Two influential republican newspaper men supporting Beveridge were in conference with Jackson for more than an hour Saturday night. It was said the governor gave them no satisfaction.

Support of the Ku Klux Klan is considered the great impediment to the candidacy of Arthur Robinson, former superior court judge, although leaders of the new element in the Marion county republican machine are pulling an oar for him.

Gossip has also turned to Fred Gause, former judge; Warren Fairbanks, Indianapolis publisher, and Judge Archer Graham, of South Bend, as a possible selection.

By resigning as governor, Jackson would realize his senatorial ambitions without the strain of a primary and state election race.

Party harmony would be best served by the appointment of Beveridge since it might hail, the beginning of an accord between Beveridge and Senator Watson and a reunion of all party factions.

Watson, who will be a candidate for re-election next spring, could be greatly pleased to eliminate the expected opposition of Beveridge in the primaries.

Appointment of a successor to Senator Ralston is expected within a week, according to politicians interested in the selection.

Says One Per Cent. Of Chicago's Residents Are Engaged In Crime

Chicago, Oct. 19.—(United Press.)—Chicago could give each of its estimated 3,000,000 crooks an annuity of \$20,000 and still be somewhat ahead of the game, Charles R. Holden, president of the Chicago crime commission, declared today.

The city's annual crime bill is far in excess of \$600,000,000, Holden declared in a speech.

His estimate includes the cost of jails and courts, Holden said. Approximately one per cent. of the city's population of 3,000,000 are engaged in
