Eastern Colleges May Form Grid Conference

(By Henry L. Farrell, United Press Staff Correspondent)
New York, Oct. 21.—Organization of several of the big eastern colleges into a football conference, is to be attempted at the close of the current season. The suggestion already has been made informally by Harvard officials who have been sounding out the athletic bodies of several large universities and it is understood that the plan has been looked upon with favor.

Harvard, Yale, Princeton, Dartmouth and Pennsylvania, it is understood, have been proposed for charter membership with the idea that the conference could be increased later to eight members if the plan worked satisfactorily.

The suggestion, coming from Harvard, for an organization of eastern as such movements in the past at football, was somewhat of a surprise, ways have found little favor at Cambridge where the athletic officials have always preferred to remain aloof and conduct their own affairs independently.

Indiana To Be Minus Two Regulars Saturday

Bloomington, Ind., Oct. 21.—Indiana will be minus two regulars here Saturday afternoon when the Crimson meets the strong Miami University eleven in the Memorial stadium. "Zip" Courin, fastest halfback on the team tore a ligament. V. F. Lanman, Princeton, probably Indiana's best end, is on the side lines with a like injury but may be able to get back within two weeks.

It is probable that Nessel will take Lanman's wing position this week, and either McConnell, Evansville, or Prucha, Chicago, will replace the injured back.

With these two men on the lines, Miami University is certain to give the "Scrapin' Hoosiers" more of a battle than was at first anticipated.

The Buckeye eleven triumphed over Wittenberg and Georgetown University, smothered Transylvania last week, and to date has an uncrossed goal.

Indiana will need to watch Stryker, Miami fullback. He is well known as a triple threat man and has been the biggest ground gainer on the Buckeye team. He can kick, pass and run, and is good, according to word brought back by scouts who witnessed Miami beat Transylvania. Captain Tom Sharkey at end is another outstanding player.

other of the outstanding players.

Petree is regarded as one of the neatest of place kickers. The entire Miami line is large and experienced and it promises the Indiana linemen a gruelling battle. The Indiana cross country team will open the season at 11 o'clock Saturday morning against Notre Dame on the new cinder track inside the stadium. Coach E. C. Hayes has most of his state champion runners back from last year and the Crimson warriors may earn a victory in their first 1925 competition.

BLOOMFIELD, N. J.—Funds for a testimonial dinner in honor of Alex Ferguson, who won the third game of the world's series for the Washington Senators, were voted by the town council. For bringing honor to his native town Ferguson also will be given an automobile.

PITTSBURGH — Members of the world's champion Pittsburgh Pirates have not yet decided what kind of an emblem they want from Commissioner Landis. The constitution permits the commissioner to spend \$100 each for some kind of an emblem. Some of the players want rings and others a fob or watch.

Kirkland H. S. Plays Rock Creek Here Tonight

The Kirkland basketball squad will swing into action here tonight meeting the Rock Creek Dodgers. The second string team will meet in the opening game at 7 o'clock with the big game one hour later.

Little is known of the strength of the Dodgers, but several of last years team are still in the lineup and it is quite probable that they are even stronger than last year.

Kirkland will again have a strong team in the field. Lowell and Floyd Arnold and A. Heller are the only members of last years squad left as a nucleus for the 1925-26 team, but several freshmen are showing up well in practice. Included in this group are Luther Arnold and Baumgartner, members of the county champion eighth grade team, and Myer, center on the French township eighth grade team. Slickman, Smith and Andrews of last year's second team are also putting in strong bids for positions. Lowell Arnold has been elected captain of the varsity team.

Wilbert "Chubby" Werling and Lucie "Tubby" Henschen have been chosen cheer leaders. The entire student body will be on hand to cheer the green and gold lads on to victory in the opening game. The varsity probably will line-up as follows: Lowell and Luther Arnold and Myer, forwards; Andrews and Smith, center; F. Arnold, Heller and Schlickman, guards.

American Ship Rescues Crew Of Italian Freighter

New York, Oct. 21.—(United Press)—Twenty-seven members of the crew of the Italian freighter Ignatio Florio were rescued in mid-Atlantic by the steamship President Harding, according to a wireless message received at the United States lines offices today.

This accounts for all aboard the freighter, which was abandoned in heavy seas.

The President Harding is bringing the rescued men to New York.

The rescue was effected with difficulty in the position 49.50 north; 37.46 west at 11 p. m. Tuesday.

Episcopalians Refuse To Substitute Soft Drinks In Communion Service

New Orleans, La., Oct. 21.—(United Press).—The house of bishops of the Protestant Episcopal church in convention here has voted to refuse to accept soft drinks as a substitute for fermented wine in the communion service.

The house of deputies may vote today or tomorrow on a motion to substitute the name "American Episcopal Church" for the name "Protestant Episcopal Church of the United States of America."

The house of deputies voted yesterday to raise women to the position of lay readers by appointment by the bishop of the diocese.

The National council has been directed to consider moving the seat of the church government from New York to Washington.

Firm In Belief That Infant Was Cremated

Corning, O., Oct. 21.—Firm in the belief that a year-old infant was cremated in the heater of a school on the outskirts of Corning, Sheriff McNabb and Coroner Minshall were in Columbus today to obtain an analysis of ashes taken from the stove.

Dr. R. D. Cook, Corning physician, has declared the sediment contained part of a baby's skull, a tooth and other indications that the furnace had been used for a crematory. The school was broken into Monday night. The next morning Mrs. Allison Linscott, janitress, convinced that an odor permeating the building was that of burning flesh, called in authorities who began an inquiry.
